

Innovative and Best Practices

2018-19

We at G.S. College of Commerce and Economics, Nagpur are committed to providing our students with a strong foundation of knowledge as well as develop their latent talents and skills. With this objective we conduct two programmes namely GS-SUN and GS-COMNEXT.

GS-SUN (GS-Skill Upgradation Network) for internship is a pre- job skill upgradation program started in the year 2013. It aims at equipping students with functional and technical skills that are required to excel in the job, market as well as the professional world. Our eminent alumnus CA Jaydeep Shah, former president ICAI is the Chairman of GS-SUN.

In this program, the college conducts a six months pre- internship grooming session for the enrolled students. Communication skills and ICT training inter alia are provided during this period. Thereafter, the students undergo internship at the offices of various Chartered Accountant firms who are integral part of the GS-SUN network. The internship is spread over a period of 9 - 12 months and interns are paid stipend by the CA firms. Thus, students can earn while they learn.

In 2018-19, 15 students from the 2016-17 batch have successfully completed the internship and are ready to serve the society with the enhanced confidence and expertise in their fields. Total 89 students have enrolled in the session 2018-19 and 44 students have successfully completed this internship programme with a panel of 22 Chartered Accountants. All these students are issued certificates after successful completion.

GS-COMNEXT 2018-19

It gives us immense pleasure to cordially invite students from the city colleges to G.S. College of Commerce & Economics, Nagpur at the ninth edition of its annual mega academic event GS-COMNEXT being organized on February 12-13, 2019.

G.S. College of Commerce & Economics, Nagpur is city's first Commerce College and through seven decades of academic excellence it has carved a niche for itself as a premier Commerce College in the region. It is reaccredited by NAAC as an 'A'-grade institution and has become the first autonomous Commerce College in the RTM Nagpur University from the academic session 2018-19.

Catering to the curricular needs of over 4000 students in various UG/PG/Junior-MCVC courses, the college has remained committed to its motto of "Industrious and Lion-hearted Men Generate Wealth" and is producing, year after year, the batches of competent young men and women who are contributing to the wealth of nation. Besides focussing on the core academics through the courses of B.Com./B.Com. (C.A.)/BBA/M.Com./MBA, the college also offers to its students over a dozen value-addition courses like TCS' BPS, NSE's NCFM, Bajaj Finserv's CPBF, ICMA's CAT, Cambridge English's BEC, Tally Education's Tally and NISM courses. In addition, the college also offers guidance programmes for CA-CPT/CS-F, NET-SET, Competitive Examinations etc. as well as the internship programme under GS-SUN.

The college's curricular output, which is reflected through consistent merit positions, medals and placements is equally matched by students' achievements in co- and extra-curricular activities in various inter-college/university level competitions. In order to ensure the all-round development of students, the college conducts a plethora of co-and extra-curricular activities which culminate in GS-COMNEXT every year. We welcome all students to this event and request them to showcase their talent by participating in the various competitions of GS-COMNEXT: 2018-19.

GS-COMNEXT 2018-19

GS-COMNEXT was launched in 2010 as a platform for promoting various co-curricular activities for students of Commerce in the city with a view to keep them abreast with the latest in Indian Economy, Commerce & Industry and to offer them opportunities through various Commerce-specific events and competitions to explore their talent and skills that are seldom tested in class rooms. The college owes the concept and genesis of GS-COMNEXT to Shri Sanjay Bhargava, Chairman, Shiksha Mandal, Wardha, who, being from industry, knows precisely what skills are required in students, besides their academic acumen, to be professionals of the top drawer and thus gave substance and shape to GS-COMNEXT which proposes to add some co-curricular dimensions to the profile of Commerce students.

GS-COMNEXT, a two day event, comprises competitions like Company Analysis, Commerce Quiz, Commerce Exhibition-cum-model/chart competition and Debate Competition.

It also hosts a chat show called 'GS- Success Stories' wherein our young and successful alumni share their experiences with the present batch of students.

As a matter of fact, GS-COMNEXT is planned to bring about an interface between the illustrious alumni and the present batch of students. The previous editions of GS-COMNEXT have been graced by such eminent alumni as Shri Nilesh Sathe (Director & CEO, LIC Nomura), Shri Sunil Manohar (ex-Advocate General of Maharashtra), Shri Manish Nuwal (Executive Director, Solar Industries India Ltd.), Shri Divesh Pendharkar (Director, Vicco Labs) Justice Sushrut Dharmadhikari and many others. The pleasure and pride with which our alumni relate their experiences and motivate present students to excel in life is indeed a great experience for one and all. We invite you to be part of this experience. We wish you all a very Happy New Year.
