**7.2.1 Institutional Best Practices**

We at G.S. College of Commerce and Economics, Nagpur are committed to providing our students with a strong foundation of knowledge as well as develop their latent talents and skills. With this objective we conduct two programmes namely GS-SUN and GS-COMNEXT.

**GS-SUN** (GS-Skill Upgradation Network) is a pre- job skill upgradation program started in the year 2013. It aims at equipping students with functional and technical skills that are required to excel in the job, market as well as the professional world. Our eminent alumnus CA Jaydeep Shah, former president ICAI is the Chairman of GS-SUN.

In this program, the college conducts a six months pre- internship grooming session for the enrolled students. Communication skills and ICT training inter alia are provided during this period. Thereafter, the students undergo internship at the offices of various Chartered Accountant firms who are integral part of the GS-SUN network. The internship is spread over a period of 9 - 12 months and interns are paid stipend by the CA firms. Thus, students can earn while they learn.

In 2019-20, 60 students have been enrolled for the programme. Lectures as per timetable given under have been conducted in the college but due to the wake of COVID-19 pandemic and subsequent lockdown in the month of March 2019 their offline internship with CAs was not possible.

GS-COMNEXT was launched in 2010 as a platform for promoting various co-curricular activities for students of Commerce in the city with a view to keep them abreast with the latest in Indian Economy, Commerce & Industry and to offer them opportunities through various Commerce-specific events and competitions to explore their talent and skills that are seldom tested in classrooms. The college owes the concept and genesis of GS-COMNEXT to Shri Sanjay Bhargava, Chairman, Shiksha Mandal, Wardha, who, being from industry, knows precisely what skills are required in students, besides their academic acumen, to be professionals of the top drawer and thus gave substance and shape to GS-COMNEXT which proposes to add some co-curricular dimensions to the profile of Commerce students.

GS-COMNEXT, a two-day event, comprises competitions like Company Analysis, Commerce Quiz, Commerce Exhibition-cum-model/chart competition and Debate Competition.

It also hosts a chat show called 'GS- Success Stories' wherein our young and successful alumni share their experiences with the present batch of students.

As a matter of fact, GS-COMNEXT is planned to bring about an interface between the illustrious alumni and the present batch of students.
