Dear Students/ Parents

We thank you for your interest in joining G.S. College of Commerce and Economics, Nagpur, and welcome you to this premier commerce college which manifests a definite ideology, a vision, and a legacy.

Our vision, as reflected in the college logo, is to produce "industrious and lion-hearted men (who) generate wealth."

But we also want our students to be good citizens with a strong moral and ethical base. So even as there is cut-throat competition in education sector, we have successfully preserved our ideals and steadfastly kept at bay all unscrupulous practices. We expect our students to contribute to this legacy and help us preserve our basic institutional character.

We also expect our students to understand thoroughly our goals and objectives, systems and practices, the purpose behind organization of activities etc., and to cooperate with the college authorities accordingly to achieve desired results in all areas.

The underlying principle of our functioning is "High Quality Education at Affordable Cost." But where students are not in position to even afford any cost we help them out on need-and-merit basis.

We are a Linguistic (Hindi) Minority Institute and follow the Admission Policy/Norms as laid down by the Department of Minority Development, Government of Maharashtra. This, however, does not prevent us from admitting students from other religions and communities. We are absolutely secular and welcome students from all parts of India to be the part of G.S. College of Commerce and Economics, Nagpur.

Dr. N. Y. Khandait
Principal

SHIKSHA MANDAL: AN OVERVIEW

HISTORY:

Shiksha Mandal is a century old institution based at Wardha , the undeclared capital of pre-independence India. Founded by Shri Jamnalal Bajaj, it was deeply influenced by freedom struggle and Gandhiji. Its faculty and students were involved in the freedom movement and one of its institutions was closed by the British. In fact, the nations's first education conference was held in Shiksha Mandal in 1937, at which Gandhiji presided. The idea of Nayee or Buniyadi Talim arose from this conference.

Starting with a student hostel, it established a school at Wardha in 1919. It moved to higher education in 1940 when its Commerce College was established at Wardha. In 1945, a Commerce College was established at Nagpur, followed by a Science College at Wardha in 1962. In 1961, a Rural Institute was established at Wardha, which offered courses in Economics, Agriculture and Engineering. This was later spun into three different institutions in these disciplines. In 2003 an Agriculture College was started in Wardha.

The Presidents of Shiksha Mandal have been from the Bajaj family. Shri Rahul Bajaj, Chairman, Bajaj Auto Ltd., is its current President.

Shiksha Mandal celebrated 2014-15 as its centenary year and all the colleges run by it started a slew of new programmes and activities to commemorate the occasion. The year saw the introduction of new educational programmes, organization of national level conferences and seminars, new schemes for students, construction of new buildings, introduction of new technology to transact the various syllabi etc. to set the tone for the next century.

The centennial ceremony held on 26 November 2014 at Shiksha Mandal's Wardha headquarters was graced by the Hon'ble President of India, Shri Pranab Mukherjee who, while acknowledging Shiksha Mandal's significant contribution to the society over a century, expected us to play a definitive role in nation building by taking education to new levels of excellence. The ceremony was also graced by the Governor of Maharashtra Shri Vidyasagar Rao, Chief Minister of Maharashtra, Shri Devendra Fadanvis and the Union Minister Shri Nitin Gadkari, also our alumnus, in the august presence of Shri Rahul Bajaj, President, Shiksha Mandal.

MOTTO:

The Motto of Shiksha Mandal is 'Aadanahi Visargaya' which means 'whatever is gained is for sharing'.

OUR PURPOSE:

Shiksha Mandal started educational institutions, because it saw education as being critical for the nation's development. Both, this idea and its commitment to it, continue to be valid. Its purpose is to add value and values to students.

OUR VALUES:

The corner stone of any good education are teachers for whom education is a vocation, and not a job; and students who want to learn and upgrade their capabilities and potential. Shiksha Mandal is an institution for and of such teachers, and such students.

Merit is an important value for us. Merit is recognised and supported. So, is honesty. Being just is equally important.

We practice simplicity and frugality, even as essentials are in place. We try to inculcate dignity of labour, the joy of hard work, fearlessness and a sense of responsibility towards society.

In our view humanity, nation, institution and individual are the hierarchy of considerations within which one must act.

We believe in equality of opportunity. No meritorious student is denied admission for lack of financial resources. We nurture the strong, but pay special attention to the weak. Anyone striving to improve is worthy of support.

These values are to be imbibed through the behaviour of all of us at Shiksha Mandal.

SHIKSHA MANDAL: AN OVERVIEW

Shiksha Mandal quietly carries on its work of providing quality education steeped in nationalistic ethos and human values at an affordable cost. It is conscious of its legacy but modern in its sensibility.

The normal medium of instruction is English. But in our Commerce colleges sections are also run in Hindi and Marathi. Its institutions are set in sprawling campuses with good infrastructure. Most of its institutions are affiliated to R.T.M. Nagpur University, Nagpur. 6 of its 7 institutions are aided by the Government.

Its Science College has been rated as a College with Potential for Excellence by the University Grants Commission(UGC) and is the only College in Vidarbha to be awarded the Star College scheme of the Department of Biotechnology. It has recently been awarded an 'A' grade by National Accreditation and Assessment Council (NAAC). Its Agriculture College is rated as 'A' by its affiliating University and its Engineering Polytechnic as "Excellent" by Maharashtra State Board of Technical Education. All its UGC recognised colleges are NAAC accredited.

It has excellent library facilities in all its colleges, with the libraries at its Science College at Wardha and Commerce College at Nagpur having over 50,000 books. Broadband internet connectivity & Computer Laboratories exist in all its colleges. Currently, it has almost 9,000 students on its rolls, of which around 52% are female, and 290 teaching faculty, of which 50 are Ph.D's. Shiksha Mandal prides itself as an institution which women, students and faculty prefer.

It offers courses from Class XI to Ph.D. Besides traditional aided courses, it has over the years added non-aided courses including MBA in its institutions. Committed to development of its students, many add-on and certificate courses are offered. This includes courses in Computer and English. Guidance for competitive and professional examinations like Chartered Accountancy and Company Secretary is also provided.

A strong tradition of National Service Scheme, National Cadet Corps, Sports and Extra- Curricular activities exists. Shiksha Mandal has also been involved in rural development for the last 40 years. Since 1984, it has been running a Community Polytechnic scheme of vocational training very successfully.

Its students feature regularly in merit lists, for accomplishments in academics, sports and extra-curricular activities. Eminent Alumni include the Late Shri Madhukar Chaudhary (ex-Speaker of Maharashtra), Shri Harish Salve, former Solicitor General of India, Shri Nitin Gadkari, Union Minister for Transport, Shri Udayan Sen, CEO of Deloitte, Shri Jaydeep Shah, ex-President of ICAI and Shri Ramesh Chandak,MD of KEC International among others.

Our Goals: Our goals as we enter a new century are:
1) 100% of our students should pass 2) 100% of our students should pass with a first class
3) 100% of our students should have strong character and 4) 100% of our students should get jobs.

Aims and Objectives of Shiksha Mandal:

- To manage, cooperate and associate with the objectives of education in different faculties, training, research; spreading and promotion of the above.
- To work for the all-round development and education of the Hindi-speaking people.
- To establish and run, or associate with, or participate in managing institutes and organisations for the attainment of above objectives; to frame curricula or syllabi, and to create basic facilities for conducting research, and perform similar such functions.
- To organise, publicise, promote, manage, and associate with the symposia, competitions, seminars, conferences, exhibitions for the achievement and implementation of the above objectives; to facilitate, implement and sponsor research projects, and perform similar such functions.
- To manage, assist, associate with and encourage research discipline and research work; to sponsor the above and perform similar such functions.

ABOUT THE COLLEGE

Govindram Seksaria College of Commerce and Economics, Nagpur was established in 1945 by Shiksha Mandal, Wardha to fulfill the requirement of Commerce education in the region during the pre-Independence period. It is the first Commerce College in the City of Nagpur and only the second in Nagpur University: the first being G. S. College of Commerce, Wardha. Having been set on course by such noted Gandhians and freedom fighters as Shri Jamnalal Bajaj and Shri Shrikrishnadas Jajoo, who founded Shiksha Mandal, the college continued to receive patronage by Seth Govindram Seksaria, Shri Kamalnayanji Bajaj, Shri Ramkrishnaji Bajaj and host of other noble souls who shaped our existence from time to time.

Today, G. S. College of Commerce and Economics, Nagpur has carved a niche for itself as a premier Commerce College in the country and is known for its high academic standards, qualitative growth, and ethical practices under the dynamic leadership of Shri Rahul Bajaj, the President of Shiksha Mandal, Wardha, who has always inspired our ceaseless pursuit of excellence.

G. S. College of Commerce and Economics, Nagpur was essentially conceived as a specialized Commerce College and today it is justifying its genesis through the successful implementation of both under-graduate and post-graduate courses in Commerce and Management streams. We also have a Junior college for commerce and vocational education. In addition, we offer over half a dozen complementary certificate courses as value addition to our regular courses. Efforts by a team of well-qualified teachers and researchers, and the right combination of curricular, co- and extra-curricular activities in a very congenial atmosphere that is augmented by excellent infrastructure, have ensured that our students emerge as not only competent professionals but also good citizens.

We believe in development of self-discipline. But external discipline is also in place. Students wear uniforms/ ID's, and minimum 75% attendance during the session is mandatory. Regular class tests, seminars and projects, field visits, use of modern educational aids/software etc. are our regular regimen. As a result of these and other measures, our students not only regularly feature in merit lists but also earn good jobs. The overall quality of our student product can be gauged by our illustrious alumni profile. Our students are doing well in all walks of life. We are very happy to share with you that a large number of Chartered Accountants, Company Secretaries, entrepreneurs and professionals in this part of the world are our alumni.

Key Achievements:

- Consistent University Merits / Toppers in B.Com./ BBA / B.Com. (C.A.) / M.Com.
- Over 150 Campus Placements in 2014 - 15.
- Best NSS Unit, Best Programme Officer & Best Volunteer Awards by RTM Nagpur University in 2014-15.

We invite you to be a part of G. S. College of Commerce & Economics, Nagpur, and join our unending journey for achieving educational excellence. Together, let all of us realize the dreams that our founders have dreamt for us and fulfil the following objectives / mission:

OUR MISSION

- To impart theoretical as well as professional instruction in different fields of commerce education.
- To provide all possible facilities to build up personality and character of students.
- To inculcate among students love for our country, national unity, and habit of social service.
- To make students conversant with current knowledge in the field of commerce and industry, and to create awareness about global scenario in the fields of trade, commerce and industry.
- To develop among students the capacity to be efficient managers, responsible businessmen and administrators.

LOCATION, INFRASTRUCTURE, AND FACILITIES

Situated in the Civil Lines, the college has within a radius of 4-5 kms all important University and Board offices, Central and State Government offices, railway and bus stations, hospitals, and prominent market/business places. These external advantages are equally matched by the college, which offers best possible atmosphere and facilities for pursuing academics and extra-curricular activities on a sprawling seven-acre campus.

- **Separate Blocks for different Units/Courses**
  The college has separate buildings and blocks for grant and non-grant courses, an independent administrative block and a Seminar Hall. Soon a new MBA building and an auditorium will further boost our infrastructure.

- **Library**
  Our college library is one of the biggest libraries in Central India with over 50,000 books. It subscribes to many national/international journals, periodicals and magazines. The library has spacious reading and reference rooms. It also has a Network Resource Centre (NRC) and an Inflibnet- Nlist with access to over 75,000 e-books/journals. The library offers Book Bank and other facilities. All library services are automated.

- **Computer Labs**
  The college has as many as three fully-equipped and air-conditioned computer labs with latest configurations and software. All the labs offer wide scope for IT training through latest technology.

- **High Speed Internet Connectivity**
  The college has recently installed a 10 MBPS optical fibre Internet. All the buildings, labs, library and offices on campus have uninterrupted high speed connectivity.

- **English Language Lab**
  The college has set up an English Language lab with UGC's assistance. It has the latest language software with testing facility.

- **Automated Student Service Sections**
  All student service sections in the office viz. admissions, enrollment, scholarships, cash, documentation etc. are fully automated leading to hassle-free and prompt services.

- **A/V Teaching Aids / Smart Classroom**
  The college has always put premium on innovative teaching and our teachers make frequent use of e-board, LCD projectors, TV, CDs, educational software, and other A/V aids for maximum teaching-learning output. Students are encouraged to make PPT presentation in classroom seminars. We have already set up a smart classroom equipped with all the latest educational gadgets.

- **Reprography**
  The reprographic facility is available in Library, Offices, Career Guidance Cell and the No-grant building.

- **Sports / Gymnasium**
  We have facilities for both outdoor and indoor games. We also have a separate Gymnasium with modern equipment and coaching facility.

- **Boys' Hostel**
  The college has a three storeyed, 100-bed, Boys Hostel with boarding facility. The hostel is only 100 metres away from the main college complex and offers single/double room facility. The hostel also has indoor games facility.

- **Canteen**
  The college has a small canteen to take care of snacks/tea-coffee etc. Soon we will have a full-fledged canteen.

- **Parking for Staff & Students**
  The college has recently modernised its parking lot. There is now a provision of separate parking for Boys and Girls.

- **CCTV Surveillance:**
  The college has installed CCTV cameras at strategic points to monitor the movements of all involved from safety and security point of view.

• **Cold Water in every Building** • **Power back-up** • **Security** • **Housekeeping**

All students are requested to help the college administration to maintain the cleanliness on the campus.

COLLEGE ACTIVITIES AND SCHEMES

Our highly qualified faculty meticulously plans and executes all curricular, co-, and extra-curricular activities for the all-round development of students. Students should participate in all activities for an optimum output.

(A) Curricular Activities

- **Bridge Courses**: Since students from Arts and Science background also take admission to Commerce courses, the college conducts, at the beginning of each session, some Bridge courses in subjects like Accountancy and Economics are conducted to familiarize the non-Commerce students with the Commerce stream.
- **Remedial Coaching**: The college also conducts remedial courses for the poor performing students. The poor performers are identified on the basis of their performance in the preceding University and college examinations.
- **Innovative Teaching-Learning and classroom seminars**: In order to make teaching-learning activity more fruitful and interesting, the college has introduced various innovative measures like e-board teaching, power-point teaching, use of A/V aids, classroom seminars etc. We constantly try to add new dimensions to the T/L activity for the best output.
- **Students' Workshops for University Examinations**: We also regularly conduct workshops to prepare students for University examinations. Teachers give important tips to students and also make students solve the question papers of previous examinations.
- **College Examinations/ Internal Assessment**: The college conducts Unit Tests and Terminal Examinations for periodic Internal Assessment (I/A). It is compulsory for students to appear for these examinations.
- **Assignments/Projects:** To improve the core subject knowledge, and presentation/writing skills, assignments/projects are given to students by respective subject teachers. The submission of assignments/projects is compulsory.

(B) Co-curricular Activities:

- **GS-COMNEXT**: As a part of our project of offering novel learning experiences to students, we organize a special event called GS-COMNEXT where students are exposed to new trends and happenings in the world of commerce. This two-day event sees students' interface with the professionals/entrepreneurs, and variety of other programmes which include seminars on Company Analysis, Chat Shows, Debates, Commerce Quiz, Commerce Exhibition etc. where students of other colleges also participate. The event is meant to be a platform where students get to know about the potentials of their chosen field of study.
- **Tech-Pro** : This inter-college Project Presentation competition is organized for the students of B.Com. (C.A.) and BBA to enhance their project-writing and presentation skills.
- **College Competitions:** To offer varied innovative learning experiences to our students and also to upgrade their knowledge level, we organize such in-house competitions as Case Study Presentation, Financial News Analysis, Commerce Models etc.
- **Commerce Study Circle/Commerce Lab**: To complement the regular T/L activity, the college also offers a number of co-curricular activities through study circles, subject forums, and activity clubs. The Commerce Study Circle regularly organizes programmes on various issues like share market, price rises, Union Budgets etc. to update students' knowledge. The Study Circle has also established a Commerce Lab where students get the practical exposure of all commerce related operations. The Circle also arranges live telecast of the Union Budget and organizes Budget Analysis Sessions.
- **Language Study Circle/ 'Shabd' Forum**: Though a Commerce college, we create enough opportunities for our students for perfecting their linguistic and communicative skills in order to make them better professionals. To develop among students love for literature, the Circle organizes Creative Writing Workshops and programmes on the anniversaries of famous litterateurs. The Circle has also set up a separate SHABD forum for promoting reading habits as well as introducing to students the best world literatures. The forum also publishes wall magazines and organizes book review competitions.
- **Library Competitions:** Our Library is a hub of several student-centric activities. It organizes book-reading and review competitions and also offers prizes like "best library user" to inculcate good library habits among students.
- **General Knowledge and Scholars Test Series:** In addition to the regular co-curricular activity, Shiksha Mandal also conducts General Knowledge Tests for all students and Scholar Test Series for XII standard students every year.
- **Industrial/Field Visits and Study Tours:** To take care of the practical component of syllabi, the college also organizes Industrial visits and study tours. Last year, our students visited Aurangabad, Hyderabad, Anand, Pune, and other places.
- **GS-Film Society**: To offer unique audio-visual learning experiences to students, we have set up a film society which screens award-winning films, documentaries on great entrepreneurs etc. Entry to the Film Society is through membership.

(C) Value-Added Programmes

- **TCS' BPS (Finance & Accountancy):** This course has been started in collaboration with Tata Consultancy Services as value addition to existing courses and for enhancing students' employability.
- **NCFM (NSE's Certification in Financial Markets):** NCFM is an online Testing & Certificate Programme of National Stock Exchange (NSE) It tests the practical knowledge & skills required to operate in the Financial Markets.
- **MKCL's PFM (Personal Financial Management):** This course offers basic knowledge about maintaining investment portfolios.
- **CA-CPT/CS- Foundation Guidance**: To offer to our students diverse commerce-centric programmes, the college conducts preparatory sessions for professional examinations like CA-CPT and CS-Foundation.
- **Training in Computerized Accounting**: Computerized accounting skills are now must for all commerce students. In order to increase our students' employability, we conduct special training to expose our students to various computerized accounting packages and their practical application.
- **Basic Computer Skills Programme:** In order to inculcate global competencies in our students, especially those who do not opt for IT specialization, we have started Basic Computer Skills Programme.
- **English Proficiency Course**: In order to enhance the English Communication Skills of our students, especially from Marathi/Hindi mediums, the college offers English Proficiency Certificate Course. The course is handled by our own faculty and outside experts. Soon, we are going to set up a full-fledged Language Lab.
- **BEC Course** : Cambridge English (A part of university of Cambridge) Business English Certificate Course. It is an internationally recognized qualification in English for work place and is endorsed by leading Indian and Global employers. BEC enables students to learn practical workplace English Skills.
- **Language Courses:** In order to perfect the communication skills of students towards better employability, we have started, English Business Communication Course and Creative Writing and Communication Skills in Hindi Course.
- **Coaching for NET/SET, MBA-CET, Competitive Examinations**: In order to make our students competent for variety of professions after their graduation and post-graduation, the college offers various training programmes for NET/SET, MBA-CET, and other competitive examinations. The seats for these programmes are limited and students are advised to register themselves at the earliest by contacting the respective programme coordinators.
- **Student Internship Programme**: To offer on the job training and necessary practical exposure to our students, and thereby to increase their employability chances, the college is proposing an internship programme from this session. This would involve grooming of students before sending them as interns to select industries/business concerns belonging to our alumni who have launched a Skill Upgradation Network (GS - SUN) for this very purpose. Selection of students for internships will be on merit and as per the vacancies available with our sponsors.

(D) Extra Curricular Activities (ECA)

- **National Cadet Corps (NCC):** The senior College has one Infantry Platoon attached to 4 Maharashtra Battalion NCC Nagpur. Students can also join Air Wing, Navy, Battery Armoured Signal and other wings of NCC. Girls also, can join NCC Girl's Battalion. Cadets are given opportunities to participate in the R. D. parades and National Integration Camps. NCC cadets have quotas in Armed Forces, Territorial Army, Police force etc.
- **National Service Scheme (NSS):** To inculcate in students the spirit of social service, we have set up NSS units at both Senior and Junior college levels. The Units organize residential camps and conduct variety of extension activities in both the city and villages.
- **Continuing Adult Education and Extension Programme:** We have recently added this unit to develop in students the sense of social belongingness, and awareness and understanding of social issues and to spread literacy in surrounding areas.
- **Sports**: The College has a full-fledged Games Department which provides coaching for various indoor and outdoor games. Our students participate at all levels and we have to our credit several championships. Our college has a rich tradition of producing sportspersons who have been awarded Chhatrapati and Arjun Puraskars. We also have a modern Gymnasium.

NOTE: **It is compulsory for the students of Senior College to participate in any of the NCC/ NSS / Sports/ other Extra-Curricular Activity (ECA). Incentive marks are given to students for participation in the above activities**

IMPORTANT COLLEGE COMMITTEES / CELLS / STUDY CIRCLES

The college has set up various college committees for the conduct of all curricular, co-curricular, and extra-curricular activities. Similarly, there are also committees to offer guidance/counseling to our students, or to redress their grievances. The committees are headed by teacher-conveners/coordinators. Students are advised to contact the conveners for participating in activities, or for any other queries related to their studentship and other problems.

- **Student Mentorship Scheme**: This scheme is intended to establish a close rapport between students and teachers who will act as mentors for a batch of select students from their entry to exit from the college.
- **Students Representative Council (SRC):** Every year, and as per the instructions and guidelines given by RTM Nagpur University, the college constitutes the SRC consisting of the nominated class /activity representatives. *There is no election for the class /activity representatives.* These nominated members, however, elect from amongst themselves, a College Representative to the University's Students Council. The SRC is responsible for the conduct of all extra-curricular activities like debate/ elocution/essay/cultural and other competitions.
- **Anti-Ragging/ Discipline/ Grievance Redressal Cell**: As per the directives of the Supreme Court of India and the UGC, Ragging and Sexual Harassment are to be treated as crimes and thus punishable after prosecution. Students are advised to report any incidents of ragging or harassment without any inhibition or fear to the Committee in person or on phone. There is also an All-India Helpline (1-800-180-5522) for reporting crimes related to Ragging.
- **Student Welfare / Counselling Cell**: The College runs various welfare programmes in the form of scholarships and aids. Students willing to avail these schemes should contact the Professor-in-charge/Mentors for details. Students are also advised to approach the Cell for solving their problems through professional counselling. The Cell also ensures that provisions contained in UGC (Promotion of Equity in Higher Education Institutes) Regulations, 2012 are observed in spirit and letter by all the stake-holders of the college.
- **Girls Guidance and Counselling Committee**: This committee is constituted to solve the girl students' academic and personal problems though proper counselling. The committee also organizes special interaction sessions by lady doctors, professionals/entrepreneurs etc. for counseling the girls on health and hygiene or proper careers. The Committee also handles gender sensitization and sexual harassment issues. There is also a Police Helpline (1091) for reporting cases of Sexual Harassment.
- **Student Feedback/ Parent-Teacher Meet Committee:** The college has got a very active feedback mechanism. The feedback collected from all stakeholders is used for formulating academic and administrative policies. We also conduct Parent-Teacher Meets to get feedback from parents and for sharing with them their wards' progress.
- **College Magazine Committee**: The college publishes every year an in-house magazine "Rashtradhan". It is meant to be a documentation of our students' creative talents as well as the reflection of their thoughts and views on various economic, social, and political issues in the country. Students are expected to contribute to the magazine with their original write-ups instead of resorting to plagiarized material which will be rejected.
- **Career Guidance and Placement Cell**: This Cell guides the students for choosing the right career and also gives information about the employment opportunities in business and industry. It organizes seminars and Guest lectures to apprise students of emerging professional trends and events, job profiles, leadership roles, entrepreneurship, market needs and risks, national socio-economic policies etc. It also organizes sessions for soft skills and campus interviews. In the past, our students have got placements in reputed companies like J.P. Morgan Chase, Progeon Infosys, Birla Group, Mahindra Finance, Ambuja Cement, TCS, L&T, KEC, Muthoot Finance, Wipro, Concentrix etc. Last year, over 150 students were placed in reputed companies.
- **College Examinations/Internal Assessment Committee**: The college puts premium on the continuous internal assessment of our students. This committee plans and organizes all internal examinations and viva-voce. Students are advised to watch out for examination schedules/notices as issued by the Committee.
- **Internal Quality Assurance Cell (IQAC)**: Our college has always been quality conscious and has, after its first accreditation in 2003, set up an IQAC. The IQAC has for its members the representatives of our management and academicians who plan for an all-round development of the college.
- **Shiksha Mandal Guidance Bureau**: In order to apprise our students of the new and latest developments in different fields of Commerce, Economy, Banking, Insurance, Finance etc, Shiksha Mandal has set up a Guidance Bureau. The Bureau also guides students about the opportunities, potentials, and latest information, knowledge and techniques pertaining to various subjects beyond those covered by syllabus.

GS SKILL UPGRADATION NETWORK (GS SUN)

Any Commerce institute would like to be recognized by the quality of its students and their higher progression with an ultimate objective of making them competent entrepreneurs and professionals. Our college motto -- "Lion-hearted and industrious men generate wealth"-- beautifully captures the spirit of commerce education.

Accordingly, we have to not only take care of academics, but also ensure that our students are properly groomed for taking up their respective roles in the outside world. We thus regularly offer our students the opportunities for familiarizing them with the environment where they will eventually end up. This approach enables students to get a first-hand feel of the job-complexities in the competitive world outside.

To enlarge the scope of this student-industry interface, we have introduced from 2013-14 a skill-building program for students at Senior College level with the specific objective of instilling in them all those skills which are the hallmarks of good entrepreneurs/professionals through grooming, practical training, internships, industry-mentoring etc.

Since students' need for practical training or exposure to the business world cannot be met unless we find partners in industry and other professions, we have initiated a process of networking with industry and other sectors, and we are pleased to announce that we have already found such partners in some of our alumni spread out in industry, businesses, and other professions with a potential to offer training/internship/placements etc. to our present students. This network of alumni is known as GS-'Skill Upgradation Network' or GS-SUN.

The project is implemented in the following phases:

(a) Pre-internship grooming: Since students selected for internships will have to spend minimum of 12-14 months with the professionals/corporate, it is imperative that they should be given a pre-internship training for acquiring those skills which are the pre-requisites qualifications for a good internship programme. We therefore conduct a six-month Grooming Programme at the UG/PG level for all Part I students. This involves training for the acquisition of communication skills and proficiency in ICT, computerized accounting, e-filing of all tax returns etc. This training will help students to learn more once they are into actual internships.

Students selected for this programme have to deposit Rs. 2000/- towards caution money which will be refunded to them only after the successful completion of their internship terms.

(B) Practical training/internship: Those students who successfully complete the Grooming Programme would be shortlisted for internship. The duration of practical training/internship will be 12-14 months spread over two sessions of Part II & Final (UG) and over two semesters of PG. The timings for internship terms will be from 11.30 a.m. to 5.30 p.m. Students may also be offered stipends from their respective firms/college.

(C) Placements: All those student-internees who successfully complete their internship terms may be absorbed by their respective employers. The college will also recommend to reputed companies the names of deserving candidates for placements during campus recruitment.

DEPARTMENT OF MANAGEMENT SCIENCES AND RESEARCH (DMSR)

The college offers a two-year (four-semester) MBA Course on self-financing basis. The course is affiliated to the RTM Nagpur University, Department of Technical Education, Government of Maharashtra, and AICTE. We have a separate Department of Management Science and Research **(DMSR)** which conducts the M.B.A. Course. The Department boasts of a very competent infrastructure and provides all necessary facilities to its students. We have highly qualified and experienced faculty who monitors all academic and extra-curricular activities in the Department. We regularly conduct the campus interviews and our students are regularly recruited by top companies.
