### Fulfillment of Programme/Course Outcomes

Going by results of all sections which went for examination in 2020-2021, it is clear that many courses have already achieved the intended benchmarks/outcomes while others are well on course.

In terms performance outcomes, it is stated that, they can be best judged by the placement details.

In 2020-2021, owing to lockdown, the college could not conduct any campus interviews. Therefore no comment can be offered on this count.

However, going by placement record of preceding years, it can be safely stated that the Programme Outcomes are well achieved by the college which can be see from the following chart:
