

G. S. COLLEGE OF COMMERCE & ECONOMICS, NAGPUR

(Autonomous)

Examination Committee Report 2020-2021

The college has been granted with autonomy status since 2018 and the college established a separate autonomy examination cell to conduct the examinations smoothly. The Principal of the college is the Chief Controller of Examinations. The Controller of Examinations, appointed by the Principal from among teachers in the college, manages various examination operations with the help of the Examination Committee and other office support.

The 2020–2021 session was mostly affected by the COVID-19 wave. The period was really hard, but we conducted all examinations without compromising quality. We conducted full-fledged three-hour descriptive online semester end examinations and supplementary examinations for the backlog students. Students were also evaluated for their participation and performance in co- and extra-curricular activities, as well as for their performance in value-addition courses, in addition to their academic performance. We conducted semester-end examinations of all UG and PG courses by issuing a special Direction No. 02/2021.

To conduct online examinations, we created various WhatsApp groups for students and also purchased 2 TB of space from Google to store the answer files submitted by students. We provided the question paper pdf to them through whatsapp groups 10 minutes prior to the commencement of the examination, and they submitted their answer sheets to us on the given Google form within 15 minutes after the expiry of time. After receiving and downloading the answer papers, we printed and bundled them and got them valued by both the internal and external valuers at the college's spot valuation centre as per our regular practice of evaluation.

The college has constituted a separate Grievance Redressal Committee for grievances related to autonomy examinations and evaluation and other related issues. The COE is the chairman of the committee, HOD's of all the departments are its members. In the event of any grievance, the matter is referred to Principal/Chief Controller whose decision is final.

During the year, the college was closed due to the COVID-19 pandemic situation, and a few grievances were received telephonically regarding technical issues in online examinations which were sorted out. We conducted online sessions through Zoom or Google platforms to answer the queries of students. For technical support, we have given two contact numbers for addressing and helping students during online submission of answer sheets. Due care was taken to resolve all the issues.

During the period, we conducted UG and PG examinations through online mode and declared results. The details are as follows:

Winter 2020 Regular Examinations

S.N.	Class	Students appeared	Passed students	Passing %
1.	B.Com. Sem-I Regular	354	247	69.77
2.	B.Com. Sem-III Regular	356	300	84.27
3.	B.Com. Sem-V Regular	388	358	92.27
4.	B.Com. (CA) Sem-I Regular	61	56	91.8
5.	B.Com. (CA) Sem-III Regular	79	73	92.41
6.	B.Com. (CA) Sem-V Regular	76	74	97.37
7.	BBA Sem-I Regular	114	95	83.33
