

G.S.COLLEGE OF COMMERCE & ECONOMICS, NAGPUR

NAAC Reaccredited 'A' Grade Autonomous Institution

(Activities for Advance Learners)

Report for 2021-22

In an institute with diversified learners' base, special programmes are carried out for advance learners. Advance learners are the gifted learners who need to be nurtured in a special way. Besides providing them with an exceptional teaching-learning environment in the class-rooms, special efforts and activities are conducted to hone their skills. These efforts are towards developing their overall personality beyond the usual curriculum orientation so that they can excel beyond high grades in examinations.

The outcomes from activities for advance learners are:

- Motivated learners that strive for higher goals and aspirations in lives by participating in value added courses like NET/SET guidance, pursuing career in research by planning to undertake PhD, GST Certificate course, etc.
- Creation of a thoughtful student base with the undertaking of analytical projects that require high order thinking and cognitive skills like analysing the Union Budget, CIMA FinQuest Business Game Challenge, Crossword Competition, etc.
- Creating a well-read, confident, and a socially responsible learners' base by conducting activities like Rashtriya Wahan Divas, Movie screening on lives of achievers, book review, and national level essay competitions.
- Creation of a competitive and sharp student base that can excel in the dynamic real life situation with activities like training them for National Live Stock Trading Contest, etc.

In the above context, following are the activities conducted for advance learners in the session 2021-22:
