

Report of Student Satisfaction Survey (2.7.1)

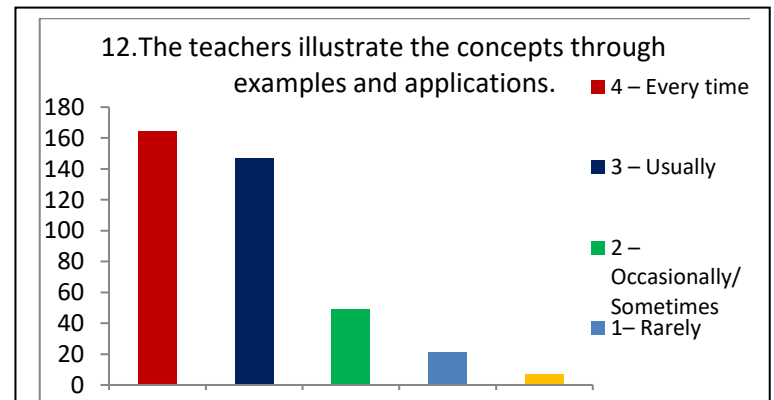

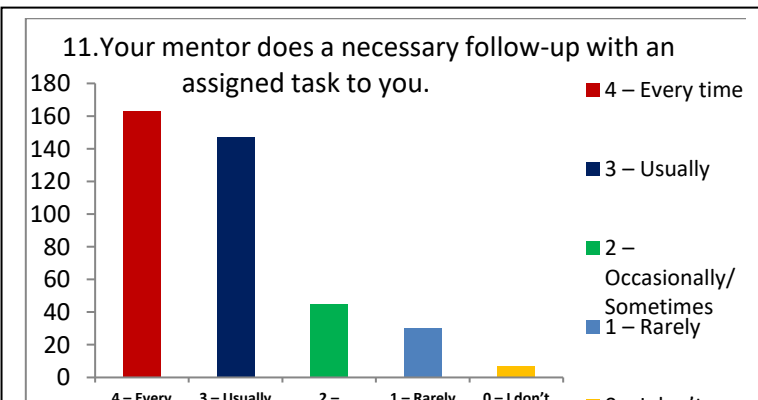

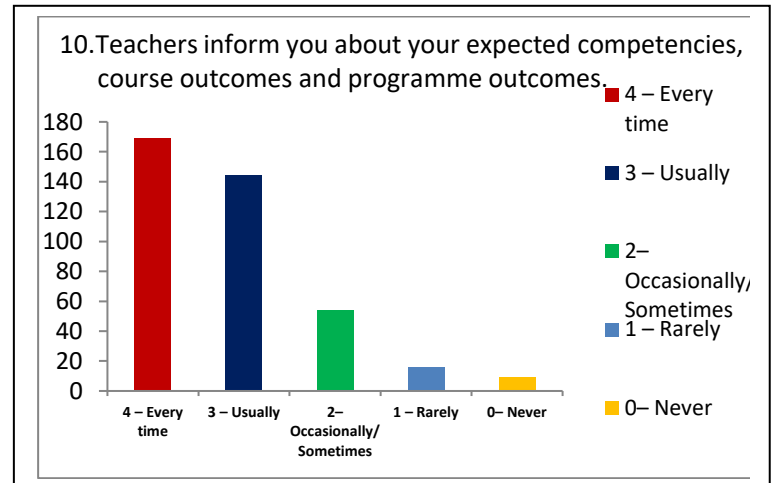

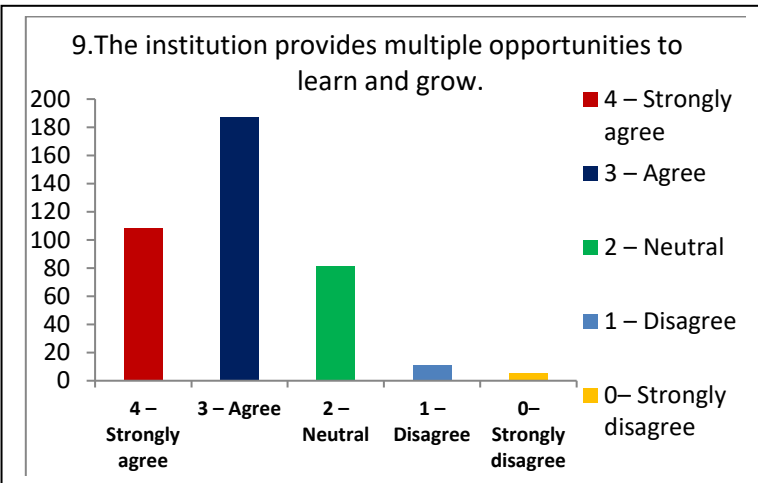

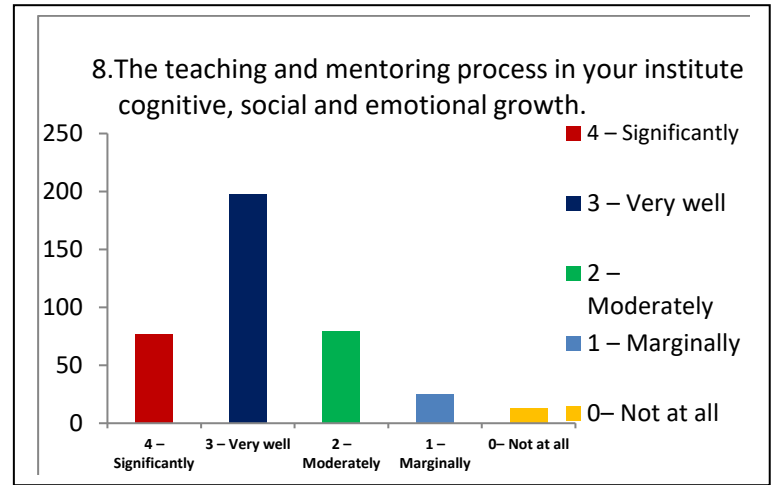

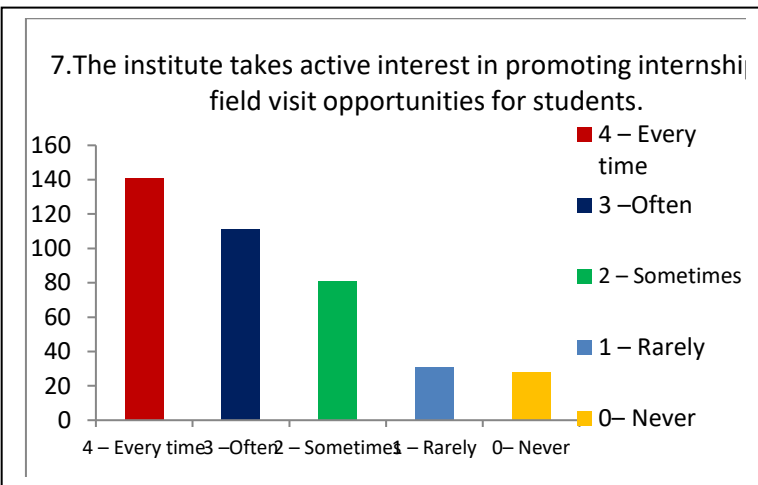

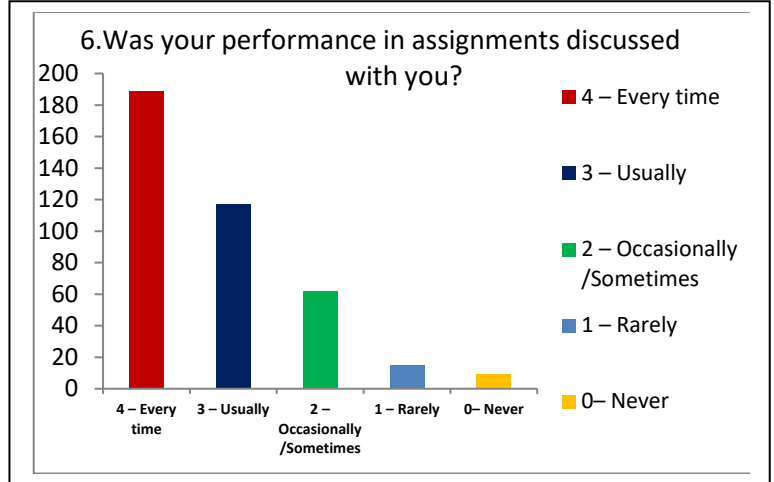

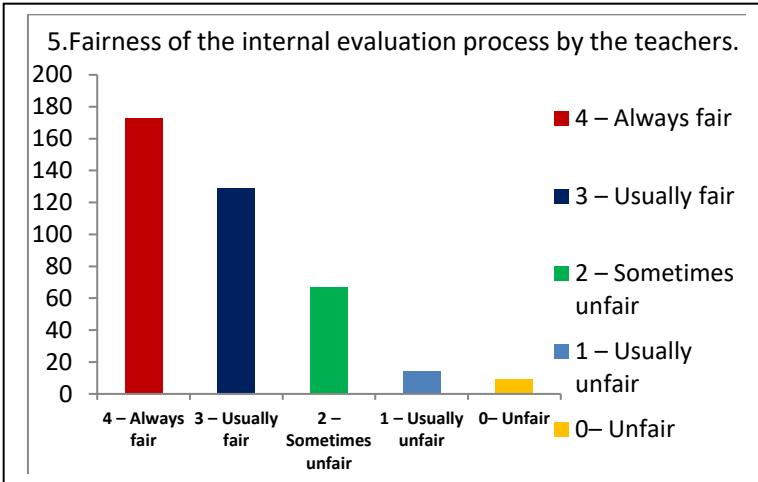

SSS for the session 2021-22 was conducted using a questionnaire consisting 20 multiple choice questions and 1 descriptive question recommended by NAAC in criteria 2 specifically for gauging student's experiences and/or obtaining suggestions for overall teaching-learning methods or on any other aspect related to the college.

Questionnaires (On Google Form) were distributed among the final semester students appeared for B.Com. B.Com.(CA),BBA,M.Com. and MBA on their email-ids.

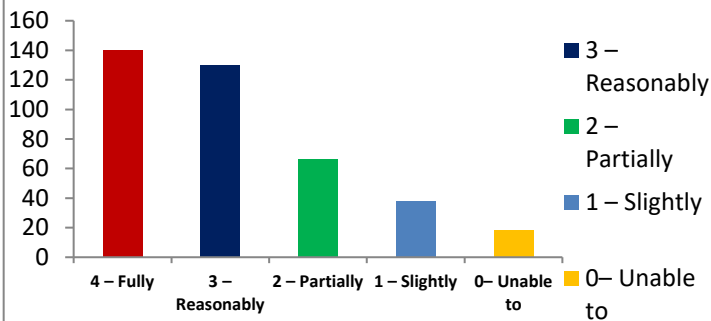

Total 392 duly filled in responses received from U.G. & P.G. students (Autonomy) and have been taken for the purpose of analysis. The results are provided as follows.

The analysis of question wise responses for first 20 questions is represented in the column chart.

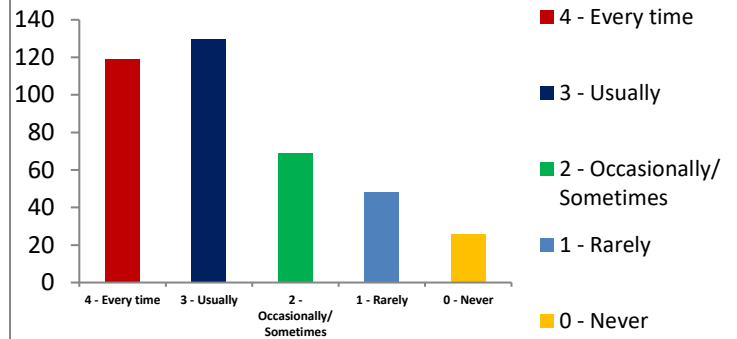

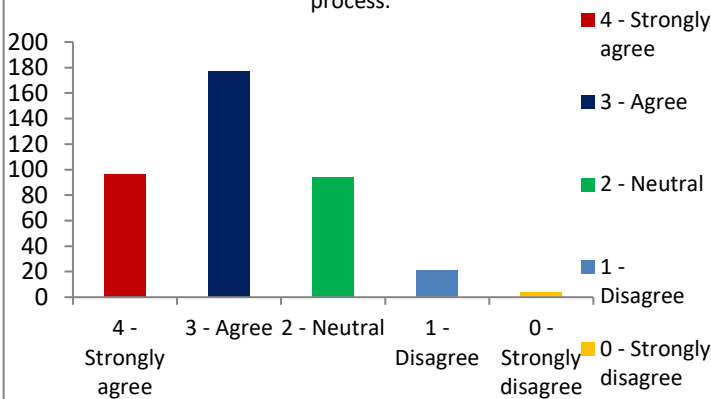

13. The teachers identify your strengths and encourage providing right level of challenges.

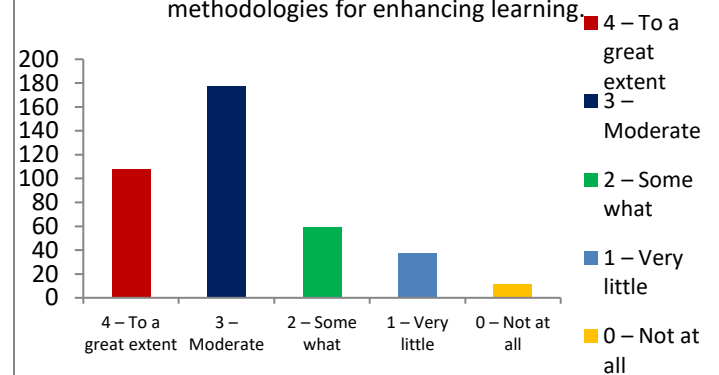

14. Teachers are able to identify your weaknesses and help you to overcome them.

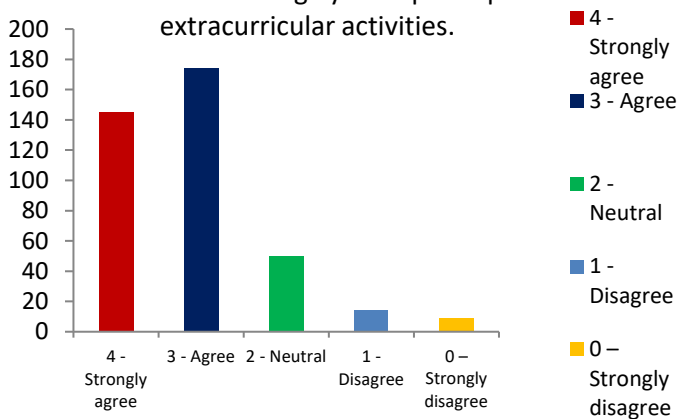

15. The institution makes effort to engage students in the monitoring, review and continuous quality improvement of the teaching learning process.

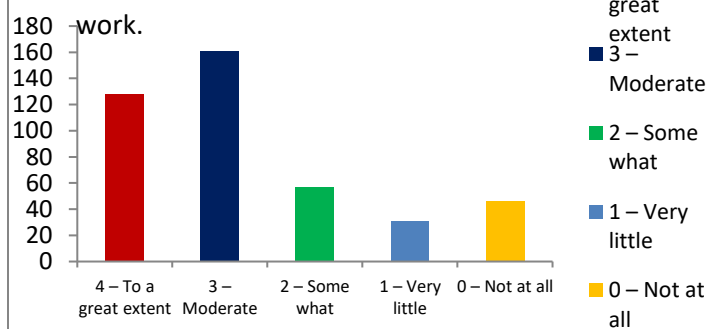

16. The institute/teachers use student centric methods, such as experiential learning, participative learning and problem solving methodologies for enhancing learning.

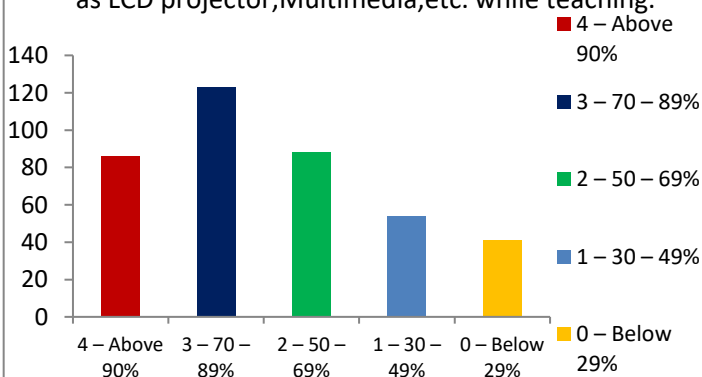

17. Teachers encourage you to participate in extracurricular activities.

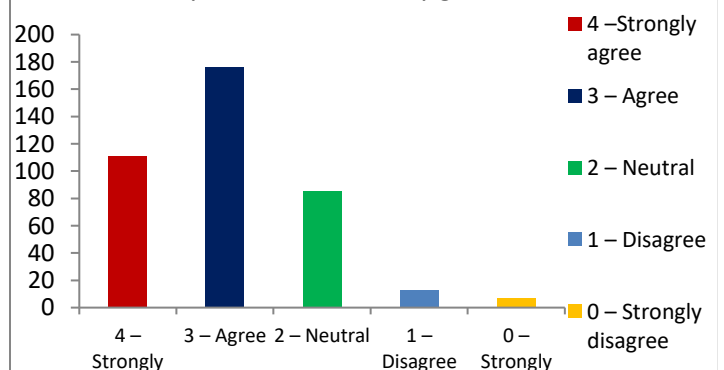

18. Efforts are made by the institute/ teachers to inculcate life skills and employability skills to make you ready for the world of work.

19. What percentage of teachers use ICT tools such as LCD projector, Multimedia, etc. while teaching.

20. The overall quality of teaching-learning process in your institute is very good.

Q.No-21. Give three observation / suggestions to improve the overall teaching – learning experience in your institution.

Following is the summary of observations and suggestions received under Q.No-21 are as under.

Summary of observations and suggestions

Observations:

- Majority of the students are of the view that Teachers are very good in their duty and they are active and given practical learning also.
- Encouragement given to participate in sports by the college.
- Students have given good opinion about college initiatives for conducting many student centric events and for encouraging them for entrepreneurship.
- Students have their opinion that they are continuously having the smart boards and various teaching tools overall the 3 years
- GS College is the Best Autonomous institute
- All faculties are supportive and try to make students understand each and every concept.
- Students have their opinion that they learned enormously from teachers like presentation skills, communication skills and so many new things.
- According to students the teaching learning process of our institution is already very much satisfactory and effective
- Students get chance to speak in front of audience.
- The quality of the education is the best as compared to the other colleges in Nagpur.

Suggestions

- More ICT enabled tools should be there.
- Practical and experiential learning should be focused on.
- More areas under bridge courses should be covered for weak students.
- Doubt clearing sessions should be organized.
- Lunch break time should be increase.
- More Industrial visits should be organized.
- Students should get Preparation leave before final examination.
- More placement drives should be organized for the students.
- Security should be upgraded in parking.
- CCTV camera should be put in the classes also.

I convey my sincere thanks to our Management, Chairman Shri.Sanjay Bhargava, Principal Dr. N.Y. Khandait , IQAC Coordinator, Dr.Ranjana Sahu for their constant guidance and all the members of the committee for the their support in the smooth conduct of this activity.
