### 11. Significant contributions made by IQAC during the current year (maximum five bullets)

1. Conduct of online counselling sessions for 12th passed students to promote the launch of two new programmes-B. Com Hons & B. Com (Finance & Accountancy) under Autonomy and to ensure admission of good students from various city schools/colleges in these two new programmes even amidst stringent COVID 19 lockdowns. 2. Initiation of online registration process for admission: Online registration

process for admission has resulted in getting good admissions from various parts of India especially for the two newly launched programmes- B. Com (Hons) & B. Com (F&A) showing the college's pan-India presence. 3. Maximizing the output of teaching-learning process through virtual mode: In view of the forced curtailment of number of semester days (from stipulated 90 days/15 weeks to 60 days/10 weeks) owing to the lockdowns, the IQAC suggested that the duration of a lecture should be increased from the stipulated 48 minutes to 60 minutes and the number of lectures should be increased from the stipulated 5 lectures per week to 6 lectures per week thereby achieving the target of 60 hours/3600 minutes workload for each subject. Thus without reducing the syllabus, the college achieved its target of completing 100% syllabus. Further, the teachers were instructed to adopt various innovative methods for engaging online classes which resulted in the qualitative output of T/L process. 4. Directions related to conduct of Examinations for UG/PG: Direction # 1 of 2021 regarding the conduct of examinations of S/2020 of non-terminal semesters/backlog students and Direction # 2 of 2021 regarding conduct of all W/2020 and S/2021 examinations in online but descriptive mode of all regular and ex-students were issued. Full length/descriptive pattern for examinations. Online /full length/descriptive paper as per the regular scheme of examination has resulted in overcoming the shortcomings of MCQ pattern of examinations to mitigate the stakeholders' apprehensions about the fairness and quality of the online MCQ pattern examinations. 5. Conduct of Webinar Series in the wake of COVID-19 pandemic: IQAC in collaboration with the Research Cell conducted webinar series in recent trends in commerce and management in order to apprise students across India regarding the current trends in the Indian Economy especially during the pandemic. Diverse topics related to curriculum, social aspects, soft skills for the development of students were covered during the series in which 26 webinars were conducted by various faculty members. More than 2000 students from all over the country participated in the above webinars.

**12. Plan of action chalked out by IQAC at the beginning of the academic year towards quality enhancement and the outcome achieved by the end of the academic year:**

<b>15. Multidisciplinary / interdisciplinary</b>	

The College is a single faculty institution and offers UG/PG programmes only under the Faculty of Commerce.

Currently, it offers 5 UG programmes of B.Com., B.Com. (Hons), B.Com. (Finance & Accountancy), B.Com. (Computer Application) and B.B.A. and 2 PG programmes of M.Com. and M.B.A. under autonomy.

Out of the above programmes, B.Com. and M. Com. are offered in 3 mediums of English, Hindi and Marathi. The College is the only institution in Central India to offer education in 3 different mediums.

In addition, it also offers various Commerce-specific Certificate programmes in tie-up with NSE, NISM, Tally Education, Bajaj Finserv, RUSA etc. to enrich the curricula and enhance students' employability.

Under Autonomy, the College has also taken various concrete steps towards becoming inter-disciplinary and is offering various Open Electives covering the Constitution of India, Public Administration, Gandhian Economics, E-Governance, Intellectual Property Rights (IPR), Travel and Tourism etc.

Further, it also offers Certificate Courses in the disciplines of Information Technology, English and Hindi languages.

#### **16.Academic bank of credits (ABC):**

The College has not yet implemented the Academic Bank of Credits.

#### **17.Skill development:**

The College offers various skill-oriented courses for skill-development as under:

1. Certificate Course in Basic Computer Skills
2. Certificate Course in Tally in collaboration with Tally Education
3. Certificate Course in GST
4. Business English Certificate in collaboration with Cambridge English
5. Certificate Course in Communication Skills in Hindi

## 6. Internship Programmes

In addition, the College has set up GS- SUN (Skill Upgradation Network) in collaboration with the College's CA alumni.

The CAs conduct various grooming programmes and impart skill education vis-a-vis IT, Accountancy and English. Those students who acquire sufficient proficiency in the above skills, are sent for internships at the CA firms to acquire the Corporate Skills under the GS-SUN programme.

In addition, the College has set up two separate ED Cells for boys and Girls. The Cells conduct various activities to inculcate entrepreneurial skills among students. The Cells also invite reputed entrepreneurs in the region for guest lectures and organizes skill-development workshops.

The College has also its Career Guidance and Placement Cell which grooms students in Personality Development, interview Skills, resume writing etc.

We offer Skill-Foundation courses such as Business Mathematics and Statistics, Computer Application in Business, Business Ethics and Corporate Culture to enhance students' skill and acumen.

## 18. Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

The College is the only institution to offer education in 3 mediums of English (global language), Hindi (national language) and Marathi (State Language) for its B.Com. and M. Com. programmes.

Further, the College also offers all the three languages English, Hindi or Marathi as compulsory courses through which students get to learn about various cultures in Maharashtra and India.

The College's student profile is multi-cultural and, at present, students from as many as 12 states are studying in the College. Students from different states are encouraged to present their cultural distinctiveness in the College's cultural events which include dances, cuisine, and traditional dresses.

The College also has also formed an 'Ek Bharat Shreshtha Bharat' Club. At present, the College is paired with Orissa and has tied

up with three Orrisa college for EBSB Activities.

The College has also formed a 'Yoga Club' which regularly conducts Yoga sessions for both students and staff.

Thus, there is judicious integration of the Indian Knowledge system in the curriculum even as it is dominated by global trends in Education.

The College does not offer any regular online UG/PG programmes. However, its regular UG/PG programmes were mostly conducted in online mode in 2020-21.

#### **19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):**

The College has clearly outlined its outcomes for all its UG and PG programmes and the courses/subjects therein vide its Direction No. 4 of 2020.

All the curricula of the various programmes are designed as per the programme outcomes (PO), programme-specific outcomes (PSO) and course-specific outcomes (CSO).

The analysis of as to what extent the outcomes have been achieved so far is under progress.

The College has set up a special Academic Audit Committee which conducts annual audit of the achievement of various outcomes in terms of results and placements.

#### **20.Distance education/online education:**

The College does not offer any distance education or any online degree programmes.

However, during the Covid-19 period and owing to lockdowns, the College has provided online education to its students using various platforms like ZOOM and Google Classroom/Google meet etc.

Even examinations were conducted online.

### CURRICULAR ASPECTS

#### 1.1 - Curriculum Design and Development

1.1.1 - Curricula developed and implemented have relevance to the local, national, regional and global developmental needs which are reflected in Programme Outcomes (POs), Programme Specific Outcomes (PSOs) and Course Outcomes (COs) of the various Programmes offered by the Institution.

After having become autonomous in 2018-19, the College has redesigned its existing programmes of B.Com., B.Com. (Computer Application), BBA, M.Com. and M.B.A. The college also introduced in 2020-21, the 2 new UG programmes of B.Com. (Hons) and B.Com. (Finance & Accountancy) and designed their syllabi clearly stating the objectives of programmes and their intended programme/course outcomes. The college also issued its Direction

No. 4 of 2020 regarding Programme Outcomes (POs)/ Programme-Specific Outcomes (PSOs) and Course Outcomes (COs) of the various academic programmes in accordance with the UGC letter dated 28-8-2019. The curricula of all programmes under Autonomy include a combination of Core, Skill Foundation and Elective Subjects. There are a total of 229 subjects/courses in all UG/PG programmes. The syllabi is so designed as to provide fundamental as well as advanced knowledge of the key and broad concepts in the domains of Commerce, Accountancy, Business Management, Economics and Information Technology. The syllabi and individual courses have been designed after taking into account the local, regional, national and global needs. Further, various skill foundation courses are included in the curriculum to develop skills and competencies to meet local, national and global demands.

## 1.3 - Curriculum Enrichment

1.3.1 - Institution integrates cross-cutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability, and Human Values into the curriculum

**The syllabi of various Under Graduate and Post Graduate courses**

under autonomy is designed to include cross-cutting issues into the curriculum. Apart from subjects like Accountancy, Economics, Management and many more which impart domain knowledge, there is a multitude of subjects which integrate cross-cutting issues related to professional ethics, Gender equity, Human values, Environment and sustainability. As many as 27 courses in the curriculum of various UG and PG courses impart knowledge about the above cross-cutting issues. Inclusion of biographies of great entrepreneurs and economic philosophers, autobiographies of prominent leaders, prose texts, stories and poems in the syllabi of languages, other subjects like Gandhian Economics, Holistic Development and Constitution of India and Human Rights help to instil in the students core human values. Issues related to professional ethics are covered through subjects like Business Ethics and Corporate Culture, Business Law, Human Resource Management, Corporate Laws, Industrial and Labour Laws, and Performance Management and Compensation. Environment Studies has been included as a core subject in the Fourth Semester of all UG programmes in order to apprise students of critical environmental problems and issues of sustainable development.

### 2.2 - Catering to Student Diversity

2.2.1 - The institution assesses students' learning levels and organises special programmes for both slow and advanced learners.

The institution starts the assessment of students' learning levels during the admission process itself by conducting thorough counselling of students regarding as to which programme would be best for him/her as per the area of interest and goals set by him. After admissions are over, the college identifies the students from non-Commerce background and conducts bridge courses for them in order to familiarize them with the core Commerce subjects like Accountancy, Economics, Business

Management etc. for raising their knowledge level of key Commerce concepts and subjects at par with the students from the Commerce background.

Further, after the semester end examinations are over, the college also conducts Remedial classes for specific subjects for those students who do not fare well in the examinations so that they can improve their performance in the subsequent examinations.

For advanced learners, college offers a number of options/opportunities for exploring their potential and talents depending on their area of interest. There are, to start with, a number of value addition courses which students can join and also earn extra-credits.

## 2.3 - Teaching- Learning Process

2.3.1 - Student-centric methods such as experiential learning, participative learning and problem-solving methodologies are used for enhancing learning experiences:

The college is ever conscious of its high academic standards and as such puts premium on student-centric Teaching-Learning Activity as per the demands of the syllabus. Thus, the faculty makes a generous use of novel T/L methods like smart boards, experiential and participative learning, problem solving methods etc. in order to derive the maximum T/L output.

**Experiential Learning:** The two major methods adopted by college for experiential learning are: industrial/field visits and internships which enable students to bridge the gap between campus and corporate. Further, students are also made to present financial news analysis, company analysis etc. Thus students are exposed in variety of ways to the practical aspects of business and industry.

**Participative Learning:** Teachers regularly employ Question-Answer sessions in classrooms and expose students to group discussions, classroom seminars, PPT presentations, quizzes etc. Further, students are also given joint projects which facilitates exchange of ideas which leads to enrichment for all partner-students.

**Problem-solving:** Is generously used by teachers in their classrooms. Students are also given the question papers of previous years for solving. Further, students are given Home Assignments on the usual problems faced by them.

2.3.2 - Teachers use ICT-enabled tools including online resources for effective teaching and learning

The college has a very sound IT-infrastructure with over 265 computers, over a dozen laptops, 24 smart class rooms, 3 computer labs, 1 English Language Lab, 40 MBPS connectivity and wi-fi for all students and teachers. Further, there are separate Computer Stations for students and faculty. Thus, IT infrastructure is made available and accessible to one and all.

The college has constituted a special Innovative Teaching-Learning Cell for promoting use IT-enabled tools. The Cell conducts workshops for teachers to train them about the usage latest IT technology. Students are also required to make PPT presentations in classroom seminars.

Further, the college has also made available N-List, J-Gate, E-

Consortium, M-Opac, Shodhganga, National Digital Library(NDL) facilities to its students and staff which has led to enhanced usage of e-resources. Students are also encouraged to make use of U-Tube videos, video lectures, documentaries for value-addition in order to enrich their learning experiences.

During the time of Covid-pandemic, teachers and students mastered techniques of creating links for online lectures on various platforms like Google Classroom or Zoom. The college also conducted online examinations in which students were found very comfortable.

### 2.3.4 - Preparation and adherence to Academic Calendar and Teaching Plans by the institution

Our college has been conferred with Autonomy status in the year 2018-19. Since then we have prepared our own academic calendars which are uploaded on institutional website. While preparing the academic calendars, it is insured that each semester has minimum 90 days of teaching and a month or so for examinations. We have strictly adhered to our Academic Calendars with respect to the commencement of teaching, conduct of assignments, unit tests, preliminary examinations, practical examinations, Semester end

examinations and declaration of results.

In 2020-21, however, the examination schedules were disrupted owing to confusion regarding the conduct of examinations. Finally, as per the UGC guidelines, Summer 2020, Winter 2020 and Summer 2021 examinations were held online in both MCQ and descriptive modes. The college also issues Directions for any incidental change in the set pattern. Thus, whenever the academic calendars were needed to be flexed, separate Directions were issued by the college.

Further, all the teaching staff are required to maintain Academic Diaries in which they have to enter details regarding their annual teaching plans, classes engaged by them, the portion of syllabus covered etc.

2.5.3 - IT integration and reforms in the examination procedures and processes including Continuous Internal Assessment (CIA) have brought in considerable improvement in the Examination Management System (EMS) of the Institution

The college has introduced various examination reforms in terms of both the conduct of examinations and assessment. For example, we departed from the University's scheme of MCQ pattern and conducted online examinations in a full-length descriptive mode.

Autonomy has also allowed us to effect some reformative measures in internal assessment (IA) mechanisms. The college introduced two more components of performance in preliminary examination and attendance in its IA scheme. Further, the college provides for additional credits for performance in Value-addition courses (VAC) and Extra Curricular activities (ECA) which are counted for final grade.

Our college has collaborated with M/S PROMARC SOFTWARE PRIVATE LIMITED, NAGPUR for processing results.

Thus we are making the most of privileges conferred upon by Autonomy vis-a-vis the examination reforms. The judicious integration of examinations systems with IT has further enabled us to manage examinations successfully.

## 2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme Outcomes and Course Outcomes for all Programmes offered by the institution are stated and displayed on the website and communicated to teachers and students

After becoming autonomous, the college has restructured its syllabi for all its programmes while specifying their objectives and expected outcomes. Further, as per the UGC's letter dated 28.08.2018, the college has outlined detailed programme outcomes and course outcomes for various programmes in a special Direction No. 4 of 2020 which is displayed on the college website.

The college specifies outcomes in two ways i.e. programme outcomes and programme specific outcomes. Programme outcomes (PO) are defined on the basis of overall competencies and skills which students are expected to acquire after the completion of programme. They are more like the graduate attributes.

Programme specific outcomes emphasize on the special features of the programme which distinguish it from other programmes in the same Faculty. Thus the programme specific outcomes of plain B.Com. and B.Com. (Computer Application) are necessarily different. In B.Com., for example, the outcomes exclusively centre upon the comprehension of Commerce concepts whereas, in case of B.Com. (Computer Application), the focus is on applicability of IT in terms of conducting businesses-related activities.

The College has also specified Course Outcomes for all all the courses/subjects offered by it in various UG/PG programmes.

2.6.2 - Attainment of Programme Outcomes and Course Outcomes as evaluated by the institution

The college has detailed all programme outcomes and course outcomes for various programmes viz. B.Com, B.C.C.A., B.B.A,

B.Com. (Honours), B.Com. (F&A), M.Com. and M.B.A. as per the UGC letter dated on 28.08.2019 on the college website.

In order to monitor and evaluate the attainments of Programme outcomes, the college has constituted a separate Academic Audit Committee. The Committee is mandated to analyse the results of each semester and suggest corrective measures, if any.

The college sets new bench marks for results for each programme. The Academic Audit Committee, on the basis of result analysis, recommends corrective measures to be adopted for reaching the benchmarks. The Committee ensures this with the analysis of class wise, subject wise and teacher wise results.

The Committee also analyses to what extent programme outcomes are reflected in the students' performances. The scale that is used for assessing this is that of placement analysis and progression to the higher studies. The performance of our students under autonomy is yet to be fully analysed and realized owing to the pandemic period as no campus interviews/or physical recruitment process have taken place.

## RESEARCH, INNOVATIONS AND EXTENSION

### 3.1 - Promotion of Research and Facilities

3.1.1 - The institution's research facilities are frequently updated and there is a well-defined policy for promotion of research which is uploaded on the institutional website and implemented

Our college management has a well defined Research Policy and it has created enough research facilities as under:

1. **Research Cell:** The Research Cell regularly guides students to identify/finalize research topics and conducts sessions on Research Methodology. The Cell also encourages faculty members to apply for research projects.

2. **A University-recognized "Place of Higher Learning & Research":** Currently, 04 scholars are pursuing Ph.D.s in the Research Centre. The Research Centre is equipped with 10 computers, internet connectivity, thesis bank etc.

#### Research Policy:

1. **Research Corpus Fund:** To promote research, the Management has created a special corpus fund of Rs 15 lakh for providing seed money to faculty for individual or institutional research projects. So far, the college has conducted far 3 institutional

research projects.

2. Research Ethics/Anti-plagiarism Committee: All research publications by faculty are checked for plagiarism.

3. Linking CAS with Research Output: The Management has mandated faculty members to write a stipulated number of research papers/books every year and linked their research performance with CAS.

4. Research courses: The college has introduced Research Methodology/ Business Research as core courses in UG/PG programmes. Project Work has been introduced for inculcating research habits among students.

## 3.3 - Innovation Ecosystem

3.3.1 - Institution has created an ecosystem for innovations and creation and transfer of knowledge supported by dedicated centres for research, entrepreneurship, community orientation, incubation, etc.

**The College has created an ecosystem for innovations and creation of transfer of knowledge and also set up dedicated cells/committees for them as under:**

### 1. Innovation, Ecosystem, Innovative T/L; Classroom Seminars Cell:

The college has created a dedicated Cell for creating an ecosystem for innovative T/L methodology. During the pandemic, teachers introduced various innovative T/L methods for transacting syllabi through online mode.

### 2. Place of Higher Learning & Research/Research Cell:

Has been established for promoting research, publications, Ph.D.s among students and faculty.

### 3. Incubation & Entrepreneurship Development Cells:

The ED Cells organize guest lectures by renowned entrepreneurs in the region and signed an MOU with Maharashtra Council of Entrepreneurship Development (MCED). Students with entrepreneurial aspirations are directed to MCED for further assistance.

### 4. Community Orientation:

The college's NSS/NCC Units regularly conduct community-oriented and other outreach activities. During the pandemic, our students performed various duties assigned to them by the City/District administrations as "Corona Warriors".

### 5. Commerce Study Circle (CSC):

The CSC has been set up for encouraging students' ideas related to Indian Economy which are translated into Models and Charts. Students have also mastered procedures of filing various Tax returns as well as investing in share market.

### 3.6 - Extension Activities

3.6.1 - Extension activities carried out in the neighbourhood sensitising students to social issues for their holistic development, and the impact thereof during the year

Established in 1945 by a noted Gandhian Shri Jammalal Bajaj whom Gandhiji regarded as his fifth son, the college is committed to society and nation and addresses various community issues and problems through real time work.

The college's community orientation is reflected not only in the various syllabi under autonomy but also in practical social service through a variety of extension and outreach activities conducted by NSS/NCC students. The NSS Unit conducts a residential camp in its adopted village Nagajhari and sensitizes the villagers on such critical social issues as drugs, tobacco, AIDS, illiteracy, superstitions, voters' awareness, cleanliness, menace of plastic and other environmental issues, farmers' suicides, water conservation etc.

The college also provides internships under GOI's "Swachha Bharat Abhiyan" and also provides 2 credits for successfully completing internships.

Such community orientation and sensitization of social issues broadens students' perspective and contributes to their holistic development including their character-building and sense of responsibility and belongingness towards society.

During the pandemic period, we distributed free masks,

sanitizers, health care products etc. and took active part in helping District administration in the implementation of various Covid-19 measures including promotion of "Arogyasetu App" and the GOI's massive vaccination drive through videos.

## INFRASTRUCTURE AND LEARNING RESOURCES

### 4.1 - Physical Facilities

4.1.1 - The Institution has adequate infrastructure and physical facilities for teaching-learning, viz., classrooms, laboratories, computing equipments, etc.

G.S.College of Commerce & Economics, Nagpur has got two complexes: the main Campus (6.89 acres) and the Hostel Complex (32679 sq.ft.).

#### A. Buildings/Physical Infrastructure:

Over a period of 75 years, the College Management Shiksha Mandal has constructed various buildings and created adequate infrastructure and physical facilities for catering to the curricular and co-/extra-curricular needs of over 3000 students across 5 UG and 2 PG programmes. At present, the College has a total of 8 separate buildings housing 52 classrooms, seminar halls/auditorium, 3 computer labs, 1 English Language lab, 2 conference/meeting halls, washrooms for staff and students, various Cell offices etc. In addition, there are 2 hostels for boys and girls, Gymnasium and playgrounds/courts, and parking.

#### B. IT Infrastructure:

The college has created a very robust IT infrastructure which includes, over 349 computers/laptops, 40 MBPS connectivity, 25 smart classrooms, 39 DLPs, 3 computer labs, 1 English language lab, wi-fi hot spots, computer zones, software etc.

#### C. Equipment:

The college is having a wide range of equipment which include a lift, a 45 KV generator, several air conditioners, photocopiers, printers and scanners, house-keeping equipment, solar lights, water pumps, water coolers equipped with purifiers, TV and CCTV surveillance.

4.1.2 - The institution has adequate facilities for cultural activities, yoga, sports and games (indoor and outdoor) including gymnasium, yoga centre, auditorium etc.)

The institution has created adequate infrastructure for the conduct of various cultural and extra-curricular activities as under:

#### Cultural Activities:

Throughout the year, the college conducts various cultural programmes to mark special occasions and special days. All these programmes are conducted at the Bajaj Bhavan Auditorium which

has got the capacity of around 160-70 seats.

For the annual event UMANG which hosts such events as singing, dancing, traditional attire, skits etc. the college uses its open air stage. For the entire cultural week, the college erects a large size pandal with a seating capacity of over 2500 students.

#### Yoga, Sports and Games:

The college offers sporting facilities for both outdoor and indoor games in the form play grounds/courts and gymnasium. The college has appointed two full time Sports Directors for training and coaching students in various games. For those games, for which the college cannot provide training facility, college arranges for outside facilities. Students living at distance prefer clubs especially for Cricket and Football. The college has also set up the Yoga Club.

During the pandemic, the entire sporting activity came to standstill. However, some events like the National Sports Day, were celebrated online.

## 4.2 - Library as a Learning Resource

### 4.2.1 - Library is automated using Integrated Library Management System (ILMS)

The College is having one of the biggest libraries in the region. It has got a collection of over 60000 books and it subscribes to several national and international journals as well as e-journals.

The library has a huge clientele of more than 3000 students and staff members. In order to streamline all the library transactions and activities, the college has automated the library with Integrated Library management system (ILMS).

The collegelibrary is using 'Libman': Cloud base Library Management System software in its day to day operations. The software is provided by Master Soft ERP Solutions Ltd. The Integrated Software provides the following modules for in-house operations and client base services.

1. Acquisitions & Cataloguing

2. Circulation

3. Serial Control

4. OPAC

5. M-OPAC

6. E-resources

The links to all important consortia, digital libraries, self-learning platforms, E-books, E-journals, Open source study

material, useful websites, portals of national and international importance etc. are available in the college's official website in the library.

#### 7. MIS Reports:

Management information systems or MIS reports related to the library allow the librarians to extract crucial data & information of all the library transactions at a few clicks. Accurate MIS reports foster better decision-making.

#### 4.3 - IT Infrastructure

4.3.1 - Institution has an IT policy covering Wi-Fi, cyber security, etc. and has allocated budget for updating its IT facilities

Realizing the importance of IT as a global competency, the college has made it a matter of policy to make Information Technology available to all the faculty and students and built a very strong IT infrastructure.

It was in keeping with this policy that the college had introduced in 2006, an IT-specific UG programme of B.Com. (Computer Application). Post-autonomy, the curriculum of B.Com. (Computer Application) has been further revamped and the latest IT modules/languages/programmes have been included in the syllabus. Further, post-autonomy. the college has established a separate IT-Department and a separate Boards of Studies in IT.

The IT department is entrusted with the job of creating, maintaining and updating IT infrastructure including the college's website. The college has further adopted the policy of using only the legal and licensed software to ensure fullest possible cyber security.

The college has a 40 MBPS connectivity and having virtual Linux Server for internet and wi-fi management system. All the

faculty/students are having access to the wi-fi facility.

The budgetary provisions are made every year for up-gradation/maintenance of IT infrastructure as per the requirements of various departments. We have Annual Maintenance Contract (non-comprehensive) with M/s. Shreeshyam Systems for computer maintenance.

4.4.2 - There are established systems and procedures for maintaining and utilizing physical, academic and support facilities – classrooms, laboratory, library, sports complex, computers, etc.

The college enjoys a huge infrastructure in terms of buildings, classrooms, furniture, electrical and other equipment, IT-related equipment, sporting facilities including gymnasium etc. all of which require proper maintenance from time to times time.

Accordingly, the college has constituted a separate Maintenance of Facilities/Purchase Committee which is mandated to invite quotations from competent vendors for all purchases and repair/maintenance works involving furniture, electricals, computers, civil work etc.

The college has also formed a panel of vendors for purchases of equipment, electricals, furniture, stationery, sports material etc. The college has also on its panel the architects, electricians and carpenters who take care of both the major and minor maintenance issues. Our Management has also appointed a full-time Civil Engineer.

All the heavy equipments like lift, generartor, photocopiers and the entire IT infrastructure are maintained through Annual Maintenance Contracts (AMC).

Thus all the buildings, equipment, furniture, books etc. in the college are properly maintained to ensure their seamless and fullest utilization by the stakeholders.

Further, the entire college property including buildings, equipment and furniture are insured against burglary, fire and natural calamities.

Further, to maintain its campuses clean and hygienic, the college has deployed a Housekeeping agency.

5.3.2 - Presence of an active Student Council and representation of students in academic and administrative bodies/committees of the institution

As per Section 99 (3) of the Maharashtra Public Universities Act 2016, each college has to constitute a Students Council as per the stipulated procedure.

The Students Council is mandated to look after the welfare of students and to promote and coordinate the extra-curricular activities in the college. Accordingly, the Students Council or its departmental representatives conduct various extra-curricular activities at the departmental levels. All the extra-curricular activities in the college culminate in the annual event UMANG, a sports and cultural week, which consists of such competitions as inter-class sports, Rangoli, Mehendi, Art & Craft, Cookery, Singing and Dancing.

In 2020-21, the Students' Council could not be formed because of the Covid-19 pandemic and the ensuing lockdowns. However, several online events were conducted by the Extra-Curricular Activities Committee.

The Students' Council representatives are also included in the College Development Council and the IQAC as well as other Committees. Their perspectives and feedback are taken into account while planning Academic, Curricular, Co-curricular and

Extra-curricular activities in the college. Students are also nominated as Gender Champions to promote gender sensitization. Students are also nominated as Campus Ambassadors for District administration's Voters Awareness Drives.

## 5.4 - Alumni Engagement

5.4.1 - The Alumni Association and its Chapters (registered and functional) contribute significantly to the development of the institution through financial and other support services

The college came into being in 1945 and since then it has produced a host of eminent alumni spread over various careers as academicians, industrialists and entrepreneurs, chartered accountants, politicians and ministers, lawyers, sportspersons etc.

In 1990's, some college students formed an Alumni Association which they registered. Every now and then, the Association conducts its programmes for which the college provides infrastructure.

The college has made an appeal to alumni to submit their feedback on their alma mater through a specially designed questionnaire which is available on the college website.

As of now, the Management is not accepting any donation from alumni. Instead, the college expects alumni to actively

contribute to academics . Thus, prominent alumni are regularly invited as resource persons/guests/guest faculty etc.

The college has also formed a network of its CA alumni called GS-SUN (Skill Upgradation Network) for providing internship to students. Post-authonomy, CA/Industry alumni were involved in designing the syllabi of various programmes.

Further, the alumni are also nominated on CDC, IQAC, Boards of Studies and Governing Body.

Thus, both the formal Alumni Association as well as the functional Alumni Networks are actively contributing to the development and progress of the college.

## GOVERNANCE, LEADERSHIP AND MANAGEMENT

### 6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of an effective leadership in tune with the vision and mission of the Institution

The college was established in 1945 by Shiksha Mandal, Wardha to fulfill the requirement of Commerce education in the region during the pre-Independence period.

Our founders had envisaged the college to be an exclusive centre for Commerce Education and found a reflection of their vision in a very befitting Sanskrit verse: "Udyoginam Purushsinham Urpeti Laxmi" (Industrious and Lion-hearted Men Generate Wealth).

The college has strictly adhered to this vision and has carved a niche for itself as premier Commerce College in India. Reaccredited with 'A' grade, the college today stands tall as the first Autonomous Commerce College in Central India.

This successful journey has been possible because of the effective leadership of our Management headed by Shri Rahul Bajaj, Chairman of the Bajaj Group and Sabhapati Shri Sanjay Bhargava who is an alumnus of IIM-Bangalore.

Further, the College's statutory bodies viz. College Development Committee (CDC), Governing Body, Academic Council, Boards of Studies, Finance Committee etc. include noted academicians, industrialists, alumni, UGC/State Government/ University nominees. Therefore, all decisions regarding governance of the college are taken by the very able and competent persons who are always mindful of the college's vision and mission.

Paste link for additional Information	<a href="https://gscen.shikshamandal.org/institutional-governance/">https://gscen.shikshamandal.org/institutional-governance/</a>

6.1.2 - Effective leadership is reflected in various institutional practices such as decentralization and participative management

The college Management always promotes a culture of participative and decentralized management at all levels in all its colleges.

Decentralization emanates right from the top management i.e. the Managing Committee of Shiksha Mandal, which has delegated various functions to the College Development Committee (CDC) which is a local statutory body where Principal proposes new strategies for fruitful conduct of the session. Resolutions are passed to create new facilities, learning resources, IT upgradation etc.

There is also the College Council which takes a comprehensive review of T/L activity, conduct of curricular and extra-curricular activities etc. College Council constitutes various Committees/Cells. Each teacher gets to lead minimum one committee which also has 2-3 members. Thus, each teacher gets

both a leadership and a membership role.

Further, the college appoints Coordinators/HOD's for its degree and value-addition courses to take care of academic and administrative activities of each programme.

Students, Parents, Alumni and members of society from various fields are nominated on the various bodies.

Thus all the stakeholders are involved in the decision-making process while the powers are vested in various statutory bodies. The combination of decentralization and participatory Management has resulted in a multi-pronged growth of the college.

## 6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ Perspective plan has been clearly articulated and implemented

Our college Management has always put premium on decentralization and participative management.

The feedback received from various stakeholders/representatives is used for policy-making. All strategic planning for the college's development and growth is discussed in the meetings of College Council, College Development Committee, Governing Body, IQAC etc. on the basis of which Principal prepares the Perspective Plan (PP) for a period of five years.

The college has made a structured progress and achieved various development/growth targets as envisaged in the earlier PP (2012-17) viz. NAAC A-Grade, Autonomy, introduction of new UG programmes, introduction of new value-addition courses,

strengthening of IT infrastructure, Construction of Girls Hostel etc.

From 2018-19 the college started its new journey as an Autonomous College and prepared a new PP for 2019-24 keeping autonomy at the centre. Some of the projections/ highlights of the new PP(2019-24) are as under:

1. Rigorous Implementation of Autonomy
2. Curricular Growth of more UG/PG/Value-addition programmes
3. Introduction of more Co- & Extra-curricular Activities
4. Faculty Empowerment Programmes
5. Improving Students' Profile
6. Placements
7. Implementation of UGC/RUSA Schemes
8. Infrastructural Expansion
9. Administrative Reforms

The next PP will be made in 2025 after the college's reaccreditation under 4th Cycle would be over.

6.2.2 - The functioning of the various institutional bodies is effective and efficient as visible from the policies, administrative set-up, appointment and service rules, procedures, etc.

The college's governance is built upon the efficient functioning of various institutional bodies. In addition to the policies of Management, the college's governance is regulated by various

Authorities viz. RTM Nagpur University, Government of Maharashtra, UGC/AICTE, MHRD, RUSA, NAAC etc.

Owing to the progressive outlook of institutional bodies/functionaries, the college has taken several decisions/policies to further the college's development. Introduction of autonomy and new UG programmes of B.Com. (Honours) and B.Com. (Finance & Accountancy), increased credits, scheme of additional credits, external/internal assessment, admission policy, attendance criteria, online examinations during the pandemic etc., in departure from the set University systems, are the result of progressive thinking of institutional bodies.

All these policies are well-documented in the Academic Regulations for each programmes and Directions.

Recruitment of staff and faculty and their service conditions are strictly as per the guidelines/regulations issued by regulatory authorities. Our progressive Management has also set some benchmarks for teachers. It is now a matter of policy that unless teachers achieve the stipulated benchmarks, they are not considered for promotions.

Thus, due to the coordinated functioning of all the institutional bodies, the college is making a smooth progress in its new journey as an autonomous college.

### 6.3 - Faculty Empowerment Strategies

6.3.1 - The institution has effective welfare measures for teaching and non-teaching staff and avenues for their career development/ progression

G.S. College of Commerce & Economics, Nagpur has always enjoyed a good HR track-record. Known for its high academic standards, the college is also well known for its transparent and quality-oriented recruitment process and attracts applications from across the country for faculty positions. The college also enjoys a good retention rate owing to its employee-friendly atmosphere and various welfare schemes for both the teaching and non-teaching staff. Some of the major welfare schemes available in the college are as under:

1. Government Provident Fund(GPF) and Pension/Family Pension/Gratuity

2. Defined Contributory Pension Scheme (DCPS)

3. Employees Provident Fund

4. Group Insurance

6. Medical Reimbursement

8. Compassionate Appointments

9. Transfers of employees

11. Employment to retired employees as a reward

12. Employees Co-operative Credit Society

Support to Faculty/Staff for Career Growth:

1. Merit policy in recruitment.
2. Confirmation in services of subject to excellent performance.
3. Extension of probation period in case a teacher is found wanting in certain areas.
4. Giving CAS/time-bound promotions
5. Leadership opportunities by giving key roles .
7. Providing all infrastructural and financial support/seed money/sabattical leave for research/study leave

Owing to the supportive management, the college has always enjoyed a high faculty retention rate.

### **6.4 - Financial Management and Resource Mobilization**

#### 6.4.1 - Institution conducts internal and external financial audits regularly

The institution has both the internal and external audit mechanisms in place for both grant-in-aid and self-financing structures.

##### Grant-in-aid structure

For Grant-in-aid structure, Internal Audit is done twice a year by a team of Auditors appointed by the Management.

External Audit: At stage one, is done by the Joint Director, Higher Education (Grants), Nagpur for both salary and non-salary grants.

At stage two, the Senior Auditor (Government of Maharashtra) audits the accounts and records his objections, if any, for compliance.

At stage three stage, AG audits the accounts for settlement.

**Self-financing Structure:**

For Self-financing structure, Internal and External Audit is done twice a year by a team of Auditors appointed by Shiksha Mandal. During the session 2020-21 no major audit objection was there except a few queries here and there which were duly complied.

**6.4.3 - Institutional strategies for mobilisation of funds and the optimal utilisation of resources**

The following are the major sources of institutional receipts:

- Salary and non-salary grants from the State Government
- Fees
- RUSA/UGC/ICSSR assistance
- Miscellaneous receipts
- Advances/contribution from SM

The institution has to manage itself with the funds available to it for all recurring and non-recurring expenditure.

Salaries in grant-in-aid structure are paid by the Government while that of the self-financing courses are paid by Management.

The maintenance and purchase of office equipment/furniture is to be done through non-salary grant. Any expenditure over and above the prescribed limit is borne by the Management.

Strategies for mobilisation of funds:

#### A. Fees:

After becoming autonomous, the college has revised its fees structure in order to meet examination expenditure. Development fee is collected for developmental activities.

#### B. Funding by External Agencies:

For capital expenditure like construction and purchase of equipment, the college seeks grants from external agencies like RUSA, UGC etc.

At present the college is in receipt of RUSA grants of 2 Cr, and 80 lakh from UGC for Girls Hostel.

#### C. Advances/Contribution by Management:

Any expenditure over and above the RUSA/UGC allocation is borne by the Management. The Management has also spent over 10 Cr for construction of Bajaj Bhawan.

## 6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing quality assurance strategies and processes visible in terms of incremental improvements made during the preceding year with regard to quality (in case of the First Cycle): Incremental improvements made during the preceding year with regard to quality and post-accreditation quality initiatives (Second and subsequent cycles)

The college has integrated its quality policy with NAAC's quality assurance policy and has entrusted the IQAC to implement

various quality measures recommended by NAAC and Management.

The IQAC has not only succeeded in streamlining various academic and administrative activities but also inculcated a definite quality culture. IQAC has complied with the last Peer Team's suggestions in terms of autonomy, Girls Hostel, starting new course etc.

After the award of autonomy, IQAC has expanded its scope and helped setting-up various autonomy systems and mechanisms.

During the pandemic period, IQAC suggested various measures to make online T/L activity more purposeful and interesting. Some of the other significant contributions made by IQAC in 2020-21 are:

1. Online counselling sessions for admission to new programmes of B.Com. (Hons) and B.Com. (Finance & Accountancy).
2. Strategised conduct of online examinations of W/2020 and S/2021.
3. Conducted with Research Cell 26 online national webinars on diverse topics.
4. Streamlined conduct of online Students' Induction Programme and other online events

#### INCREMENTAL IMPROVEMENTS POST-ACCREDITATION:

1. Implementation of Autonomy from 2018-19.
2. Launch of two new UG programmes of B.Com. (Hons) and B.Com. (Finance & Accountancy) in 2020-21.
3. Expansion of physical and IT infrastructure

6.5.2 - The institution reviews its teaching-learning process, structures and methodologies of operation and learning outcomes at periodic intervals through its IQAC as per norms

The Teaching-Learning process in the college is monitored as per the following mechanism:

- The college has appointed the HOD's and programme coordinators for continuous monitoring of the T/L activity.
- At the beginning of session, teachers are assigned their workload and time-table, and given academic diaries.
- Accordingly, all teachers submit their teaching plans and syllabus completion schedules, evaluation strategies to HOD's/Principal through academic diaries.
- The progress of syllabus is monitored by the respective HOD's every week and by Principal every month.
- Appropriate teaching techniques and methods are adopted by teachers for the maximum transaction of syllabus as per the recommendations of HOD's/Principal/Management.
- The progress of the T/L activity and other academic performances of students are discussed in the College Council and the College Development Committee meetings.
- After the examinations are over and the results are declared, a comprehensive academic audit is done by the Academic Audit Committee. The committee also identifies the weak areas and suggests suitable corrective measures that teachers need to take to improve results.

The academic performance of the teachers also is subjected to external review by Shiksha Mandal which reviews academic diaries, PBAS formats and CRs of teachers before approving the promotions of teachers.

**INSTITUTIONAL VALUES AND BEST PRACTICES****7.1 - Institutional Values and Social Responsibilities**

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

Our institution is a zero tolerance unit for all sorts of harassments and promotes gender equity through the following measures:

- Internal Complaints Cell (ICC):

The College has constituted the ICC as per the Guidelines issued by the Government for redressing the grievances of women/girls. The Committee is mandated to initiate inquiry in harassment cases, if any. No cases of harassment have been reported so far.

- Women's Cell/Girls Guidance & Counselling/Prevention of Sexual Harassment at Workplace Committee:

The College has further constituted the Girls Guidance & Counselling/Prevention of Sexual Harassment at Workplace Committee, known as Women's Cell, which regularly conducts counselling sessions by experts/counsellors. There are complaint boxes in each building. The link of the Cell is also provided on the college website.

- Entrepreneurship Development Cell for Women:

In addition to the regular ED Cell, the College has also formed a separate ED Cell for Girls.

- Gender Champions

In 2020-21, the college conducted the following programmes for the promotion of gender equity:

1.A webinar on 'General Health issue of Working Women' by Dr Kshama Kedar on 8.3.2021(Participants: 50)

2. Online Awareness Programme on "Balika Diwas" on 24.1.2021 (Participants: 150 girls; 100 boys)

Sprawled over 6 acres, the College campus generates a lot of bio-degradable and non-degradable waste which needs to be managed and disposed following prescribed protocols. In order to address this issue the college has set up a Campus Beautification Committee which tends to the waste management part as under:

**Degradable Waste Management:**

1. Dustbins: Dustbins are placed in all classrooms/buildings to manage all litter across the campus.

2. **Composting:** Compost pits are built for depositing all the bio-degradable/organic waste like dried leaves/grass (green waste), paper waste and food waste (canteen). The manure produced in the pit is used as a natural soil-enrichment for plants in the institution's premises.

3. **Incineration:**For disposing the used sanitary napkins.

4. **Recycling:** Used stationery, old newspapers etc. are sold to scrap-dealers for recycling. Further, old and delapidated wooden/steel furniture is either recycled for making new items or sold as scrap.

**Non-Degradable Waste Management:**

1. **Plastic:**The College promotes "Say No to Plastic Policy". Still, all the incidental plastic waste is handed over to Nagpur Municipal Corporation for proper disposal.

2. **E-Waste:** The old and obsolete electronic products like computers, printers, old electrical and electronic items are sold as scrap after destocking.

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e. tolerance and harmony towards cultural, regional, linguistic, communal, socio-economic and other diversities (within a maximum of 200 words).

**The College attracts students from across the country and currently students from 13 states are admitted in the college. Still, the campus life is underscored by tolerance and harmony towards all cultural, regional, linguistic, communal, socio-economic and other diversities.**

To maintain a tolerant and harmonious campus atmosphere, the college has taken various measures as under:

- Undertakings at the time of admission that students would not discriminate with peers on any ground
- Anti-ragging Committee/Undertakings
- Anti- Caste Discrimination Committee
- Sexual Harassment Committee
- Committee for Disabled Students

Ek Bharat Shreshtha Bharat (EBSB) Club (A RUSA initiative)

The EBSB club is mandated to celebrate unity-in-diversity of India. Currently, our college is paired with Odisha . The Club organizes various activities like screening of popular films in Oriya and Marathi Languages, documentaries, cookery events etc. to promote bonding between the Marathi and Oriyan cultures.

In 2020-21, various activities/events were conducted online.

EBSB-Cultural Events: During the college's cultural event, students from various states showcase their traditional attire, folk dances, songs, food-dishes, art/craft etc.

Language Study Circle Activities: Language Study Circle also organises competitions to promote literatures of various languages to promote regional and linguistic harmony.

GS-Film Society also screens films in different languages.

7.1.9 - Sensitization of students and employees of the institution to constitutional obligations: values, rights, duties and responsibilities of citizens:

The College's vision focuses on not only making our students the competent youth but also to mould them into good citizens. It is not without reason that one of the 4 bench marks that Shiksha Mandal has set for all its colleges is "100% students with good character" to go with other bench marks of 100% Results, 100% First Divisioners and 100% Placements. Thus all Shiksha Mandal

colleges put premium on values, ethics and morality, character-building etc. to make students good human beings and good citizens.

In order to sensitize students of their constitutional obligations, the College has taken the following initiatives:

1. National Anthem in classrooms and at the conclusion of official college events
2. Celebration of Constitution Day (26th November)
3. Introduction of Constitution of India as a course/subject (Open Elective) under autonomy
4. Celebration of National Days, Anniversaries of Mahatma Gandhiji and other national heroes/patriots/statesmen etc.
5. Blood Donation Camps and other extension/outreach activities by NSS/NCC Units

Students Induction Programme (SIP):

As per the UGC guidelines, the College also conducts an SIP at the beginning of session and apprises students of their duties, responsibilities and social/constitutional obligations to make them good students and model citizens.

7.1.11 - Institution celebrates / organizes national and international commemorative days, events and festivals

The College has set-up a "Special Days Celebration Committee" which organizes programmes to celebrate various commemorative days of national and international importance as under:

1. Independence Day
2. Republic Day
3. International Non-Violence Day (Gandhi Jayanti)
4. National Youth Day (Swami Vivekanand Jayanti)
5. Martyr's Day/Hutatma Din (Gandhiji's Death Anniversary)
6. Wachen Prerna Diwas (Dr . APJ Kalam''s Birth Anniversary)
7. International Women's Day
8. National Unity Day (Sardar Vallabhbhai Patel's Birth Anniversary)
9. Sadbhavana Day (Rajiv Gandhi's Birth Anniversary)
10. Teachers Day (Dr Radhakrishnan's Birth Anniversary)
11. Jannalalji Bajaj's anniversaries

## 12. Birth Anniversaries of Jyotiba & Savitribai Fule, Rashtrasant Tukadoji Maharaj, Dr Babasaheb Ambedkar etc.

To mark these days, the college organizes various events like Cleanliness Drives, tree plantation, elocution/essay/poetry competitions, book reviews, poster competitions etc. Students are also encouraged to give speeches, sing songs/bhajans as per their relevance to the event.

Further, the College library also organizes Book Exhibitions to display the writings of the related great personalities whose life is celebrated.

The College does not celebrate any religious events or festivals. However, Ganeshotsava is celebrated in the Boys Hostel.

Greetings on festivals like Diwali, Dussehra, Sankranti, Christmas, Eid etc. are extended by the college to staff members.

## 7.2 - Best Practices

7.2.1 - Provide the weblink on the Institutional website regarding the Best practices as per the prescribed format of NAAC

Being the first Commerce College in Nagpur, the college has always been looked upon by stakeholders as a pioneer institute and the college has lived up to their expectations by introducing various best practices from time to time as under:

1. GS COMNEXT: An annual inter-college event consisting of activities/competitions like Commerce Exhibition, GS-Success Stories, Company Analysis, Commerce Quiz and Debate Competition.

2.GS-SUN (GS-Skill Upgradation Network):The College has formed a network of some of its alumni-CAs in the city for providing

internships to students. Each year 50-60 students are provided internships by the CAs in the Network.

3. Commerce Study Circle: CSC has formed various clubs/societies viz. "Arthashastra- An Economics Society", "TRIVIATRIX - A Quiz Club" and "ARBITRAGEURS - An Investors' Club".

4. Additional Credits for Performance in Value-Addition Courses (VAC) and Extra-Curricular Activities (ECA).

Owing to COVID-19, the college could not conduct GS -COMNEXT and GS SUN. However, Commerce Study Circle engaged students in various online activities.

Further, to safeguard its students from Covid-19, the college conducted a special vaccination drive for its students and staff in collaboration with Bajaj Auto Limited.

Thus, for 2021, the college would like to present Commerce Study Circle and GS-Vaccination Drive as its best practices.

### 7.3 - Institutional Distinctiveness

7.3.1 - Highlight the performance of the institution in an area distinct to its priority and thrust (within a maximum of 200 words)

The College has started its new journey as an autonomous college from 2018-19 to further expand its vision and mission. Thus, from 2018-19, the College's thrust area has been successful implementation and execution of autonomy.

As an autonomous institution, the college revamped all UG/PG programmes and introduced several reforms in terms of assessment strategies. Autonomy was hugely welcomed and the first autonomous

PG and UG batches have rolled out in S/2020 and S/2021 respectively. Further, from 2020-21, the College has introduced 2 new UG programmes of B.Com. (Honours) and B.Com. (Finance & Accountancy) which, despite the pandemic, attracted admissions from across India. Thus, after successfully meeting the challenges of autonomy, the college has now settled in its new avatar of an autonomous institution.

Further, the pandemic threw up new challenges of online education. Here again the College came up trumps. Both teachers and students mastered the art and science of online education and completed the syllabus without reducing it. Even in online examinations, the college conducted full length/descriptive pattern examinations instead of the popular one hour MCQ pattern as implemented by the parent University. Thus, despite the challenges of Covid-19, the College has maintained the sanctity of examinations.

## Part B

### CURRICULAR ASPECTS

#### 1.1 - Curriculum Design and Development

1.1.1 - Curricula developed and implemented have relevance to the local, national, regional and global developmental needs which are reflected in Programme Outcomes (POs), Programme Specific Outcomes (PSOs) and Course Outcomes (COs) of the various Programmes offered by the Institution.

After having become autonomous in 2018-19, the College has redesigned its existing programmes of B.Com., B.Com. (Computer Application), BBA, M.Com. and M.B.A. The college also introduced in 2020-21, the 2 new UG programmes of B.Com. (Hons) and B.Com. (Finance & Accountancy) and designed their syllabi clearly stating the objectives of programmes and their intended programme/course outcomes. The college also issued its Direction No. 4 of 2020 regarding Programme Outcomes (POs)/ Programme-Specific Outcomes (PSOs) and Course Outcomes (COs) of the various academic programmes in accordance with the UGC letter dated 28-8-2019. The curricula of all programmes under Autonomy include a combination of Core, Skill Foundation and Elective Subjects. There are a total of 229 subjects/courses in all UG/PG programmes. The syllabi is so designed as to provide fundamental as well as advanced knowledge of the key and broad concepts in the domains of Commerce, Accountancy, Business Management, Economics and Information Technology. The syllabi and individual courses have been designed after taking into account the local, regional, national and global needs. Further, various skill foundation courses are included in the curriculum to develop skills and competencies to meet local, national and global demands.

### 1.3 - Curriculum Enrichment

1.3.1 - Institution integrates cross-cutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability, and Human Values into the curriculum

The syllabi of various Under Graduate and Post Graduate courses under autonomy is designed to include cross-cutting issues into the curriculum. Apart from subjects like Accountancy, Economics, Management and many more which impart domain knowledge, there is a multitude of subjects which integrate cross-cutting issues related to professional ethics, Gender equity, Human values, Environment and sustainability. As many as 27 courses in the curriculum of various UG and PG courses impart knowledge about the above cross-cutting issues. Inclusion of biographies of great entrepreneurs and economic philosophers, autobiographies of prominent leaders, prose texts, stories and poems in the syllabi of languages, other subjects like Gandhian Economics, Holistic Development and Constitution of India and Human Rights help to instil in the students core human values. Issues related to professional ethics are covered through subjects like Business Ethics and Corporate Culture, Business Law, Human Resource Management, Corporate Laws, Industrial and Labour Laws, and Performance Management and Compensation. Environment Studies has been included as a core subject in the Fourth Semester of all UG programmes in order to apprise students of critical environmental problems and issues of sustainable development.

## 2.2 - Catering to Student Diversity

2.2.1 - The institution assesses students' learning levels and organises special programmes for both slow and advanced learners.

The institution starts the assessment of students' learning levels during the admission process itself by conducting thorough counselling of students regarding as to which programme would be best for him/her as per the area of interest and goals set by him. After admissions are over, the college identifies the students from non-Commerce background and conducts bridge courses for them in order to familiarize them with the core Commerce subjects like Accountancy, Economics, Business Management etc. for raising their knowledge level of key Commerce concepts and subjects at par with the students from the Commerce background.

Further, after the semester end examinations are over, the college also conducts Remedial classes for specific subjects for those students who do not fare well in the examinations so that they can improve their performance in the subsequent examinations.

For advanced learners, college offers a number of options/opportunities for exploring their potential and talents depending on their area of interest. There are, to start with, a number of value addition courses which students can join and also earn extra-credits.

### 2.3 - Teaching- Learning Process

2.3.1 - Student-centric methods such as experiential learning, participative learning and problem-solving methodologies are used for enhancing learning experiences:

The college is ever conscious of its high academic standards and as such puts premium on student-centric Teaching-Learning Activity as per the demands of the syllabus. Thus, the faculty makes a generous use of novel T/L methods like smart boards, experiential and participative learning, problem solving methods etc. in order to derive the maximum T/L output.

**Experiential Learning:** The two major methods adopted by college for experiential learning are: industrial/field visits and internships which enable students to bridge the gap between campus and corporate. Further, students are also made to present financial news analysis, company analysis etc. Thus students are exposed in variety of ways to the practical aspects of business and industry.

**Participative Learning:** Teachers regularly employ Question-Answer sessions in classrooms and expose students to group discussions, classroom seminars, PPT presentations, quizzes etc. Further, students are also given joint projects which facilitates exchange of ideas which leads to enrichment for all partner-students.

**Problem-solving:** Is generously used by teachers in their

classrooms. Students are also given the question papers of previous years for solving. Further, students are given Home Assignments on the usual problems faced by them.

### 2.3.2 - Teachers use ICT-enabled tools including online resources for effective teaching and learning

The college has a very sound IT-infrastructure with over 265 computers, over a dozen laptops, 24 smart class rooms, 3 computer labs, 1 English Language Lab, 40 MBPS connectivity and wi-fi for all students and teachers. Further, there are separate Computer Stations for students and faculty. Thus, IT infrastructure is made available and accessible to one and all.

The college has constituted a special Innovative Teaching-Learning Cell for promoting use IT-enabled tools. The Cell conducts workshops for teachers to train them about the usage latest IT technology. Students are also required to make PPT presentations in classroom seminars.

Further, the college has also made available N-List, J-Gate, E-Consortium, M-Opac, Shodhganga, National Digital Library (NDL) facilities to its students and staff which has led to enhanced usage of e-resources. Students are also encouraged to make use of U-Tube videos, video lectures, documentaries for value-addition in order to enrich their learning experiences.

During the time of Covid-pandemic, teachers and students mastered techniques of creating links for online lectures on various platforms like Google Classroom or Zoom. The college also conducted online examinations in which students were found very comfortable.

#### 2.3.4 - Preparation and adherence to Academic Calendar and Teaching Plans by the institution

Our college has been conferred with Autonomy status in the year 2018-19. Since then we have prepared our own academic calendars which are uploaded on institutional website. While preparing the academic calendars, it is insured that each semester has minimum 90 days of teaching and a month or so for examinations. We have strictly adhered to our Academic Calendars with respect to the commencement of teaching, conduct of assignments, unit tests, preliminary examinations, practical examinations, Semester end examinations and declaration of results.

In 2020-21, however, the examination schedules were disrupted owing to confusion regarding the conduct of examinations. Finally, as per the UGC guidelines, Summer 2020, Winter 2020 and Summer 2021 examinations were held online in both MCQ and descriptive modes. The college also issues Directions for any incidental change in the set pattern. Thus, whenever the academic calendars were needed to be flexed, separate Directions were issued by the college.

Further, all the teaching staff are required to maintain Academic Diaries in which they have to enter details regarding their annual teaching plans, classes engaged by them, the portion of syllabus covered etc.

2.5.3 - IT integration and reforms in the examination procedures and processes including Continuous Internal Assessment (CIA) have brought in considerable improvement in the Examination Management System (EMS) of the Institution

The college has introduced various examination reforms in terms of both the conduct of examinations and assessment. For example, we departed from the University's scheme of MCQ pattern and conducted online examinations in a full-length descriptive mode.

Autonomy has also allowed us to effect some reformative measures in internal assessment (IA) mechanisms. The college introduced two more components of performance in preliminary examination and attendance in its IA scheme. Further, the college provides for additional credits for performance in Value-addition courses (VAC) and Extra Curricular activities (ECA) which are counted for final grade.

Our college has collaborated with M/S PROMARC SOFTWARE PRIVATE LIMITED, NAGPUR for processing results.

Thus we are making the most of privileges conferred upon by Autonomy vis-a-vis the examination reforms. The judicious integration of examinations systems with IT has further enabled us to manage examinations successfully.

## 2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme Outcomes and Course Outcomes for all Programmes offered by the institution are stated and displayed on the website and communicated to teachers and students

After becoming autonomous, the college has restructured its syllabi for all its programmes while specifying their objectives and expected outcomes. Further, as per the UGC's letter dated 28.08.2018, the college has outlined detailed programme outcomes and course outcomes for various programmes in a special Direction No. 4 of 2020 which is displayed on the college website.

The college specifies outcomes in two ways i.e. programme outcomes and programme specific outcomes. Programme outcomes (PO) are defined on the basis of overall competencies and skills which students are expected to acquire after the completion of programme. They are more like the graduate attributes.

Programme specific outcomes emphasize on the special features of the programme which distinguish it from other programmes in the same Faculty. Thus the programme specific outcomes of plain B.Com. and B.Com. (Computer Application) are necessarily different. In B.Com., for example, the outcomes exclusively centre upon the comprehension of Commerce concepts whereas, in case of B.Com. (Computer Application), the focus is on applicability of IT in terms of conducting businesses-related activities.

The College has also specified Course Outcomes for all the courses/subjects offered by it in various UG/PG programmes.

#### 2.6.2 - Attainment of Programme Outcomes and Course Outcomes as evaluated by the institution

The college has detailed all programme outcomes and course outcomes for various programmes viz. B.Com, B.C.C.A., B.B.A, B.Com. (Honours), B.Com. (F&A), M.Com. and M.B.A. as per the UGC letter dated on 28.08.2019 on the college website.

In order to monitor and evaluate the attainments of Programme outcomes, the college has constituted a separate Academic Audit Committee. The Committee is mandated to analyse the results of each semester and suggest corrective measures, if any.

The college sets new bench marks for results for each programme. The Academic Audit Committee, on the basis of result analysis, recommends corrective measures to be adopted for reaching the benchmarks. The Committee ensures this with the analysis of class wise, subject wise and teacher wise

results.

The Committee also analyses to what extent programme outcomes are reflected in the students' performances. The scale that is used for assessing this is that of placement analysis and progression to the higher studies. The performance of our students under autonomy is yet to be fully analysed and realized owing to the pandemic period as no campus interviews/or physical recruitment process have taken place.

## RESEARCH, INNOVATIONS AND EXTENSION

### 3.1 - Promotion of Research and Facilities

3.1.1 - The institution's research facilities are frequently updated and there is a well-defined policy for promotion of research which is uploaded on the institutional website and implemented

Our college management has a well defined Research Policy and it has created enough research facilities as under:

1. **Research Cell:** The Research Cell regularly guides students to identify/finalize research topics and conducts sessions on Research Methodology. The Cell also encourages faculty members to apply for research projects.

2. **A University-recognized "Place of Higher Learning & Research":** Currently, 04 scholars are pursuing Ph.D.s in the Research Centre. The Research Centre is equipped with 10 computers, internet connectivity, thesis bank etc.

#### Research Policy:

1. **Research Corpus Fund:** To promote research, the Management has created a special corpus fund of Rs 15 lakh for providing seed money to faculty for individual or institutional research projects. So far, the college has conducted far 3 institutional research projects.

2. **Research Ethics/Anti-plagiarism Committee:** All research publications by faculty are checked for plagiarism.

3. **Linking CAS with Research Output:** The Management has mandated faculty members to write a stipulated number of research papers/books every year and linked their research performance with CAS.

4. **Research courses:** The college has introduced Research Methodology/ Business Research as core courses in UG/PG programmes. Project Work has been introduced for inculcating research habits among students.

### 3.3 - Innovation Ecosystem

3.3.1 - Institution has created an ecosystem for innovations and creation and transfer of knowledge supported by dedicated centres for research, entrepreneurship, community orientation, incubation, etc.

The College has created an ecosystem for innovations and creation of transfer of knowledge and also set up dedicated cells/committees for them as under:

#### 1. Innovation, Ecosystem, Innovative T/L; Classroom Seminars Cell:

The college has created a dedicated Cell for creating an ecosystem for innovative T/L methodology. During the pandemic, teachers introduced various innovative T/L methods for transacting syllabi through online mode.

#### 2. Place of Higher Learning & Research/Research Cell:

Has been established for promoting research, publications, Ph.D.s among students and faculty.

#### 3. Incubation & Entrepreneurship Development Cells:

The ED Cells organize guest lectures by renowned entrepreneurs in the region and signed an MOU with Maharashtra Council of Entrepreneurship Development (MCED). Students with entrepreneurial aspirations are directed to MCED for further assistance.

#### 4. Community Orientation:

The college's NSS/NCC Units regularly conduct community-oriented and other outreach activities. During the pandemic, our students performed various duties assigned to them by the City/District administrations as "Corona Warriors".

#### 5. Commerce Study Circle (CSC):

The CSC has been set up for encouraging students' ideas related to Indian Economy which are translated into Models and Charts. Students have also mastered procedures of filing various Tax returns as well as investing in share market.

**3.6 - Extension Activities**

3.6.1 - Extension activities carried out in the neighbourhood sensitising students to social issues for their holistic development, and the impact thereof during the year

Established in 1945 by a noted Gandhian Shri Jammalal Bajaj whom Gandhiji regarded as his fifth son, the college is committed to society and nation and addresses various community issues and problems through real time work.

The college's community orientation is reflected not only in the various syllabi under autonomy but also in practical social service through a variety of extension and outreach activities conducted by NSS/NCC students. The NSS Unit conducts a residential camp in its adopted village Nagajhari and sensitizes the villagers on such critical social issues as drugs, tobacco, AIDS, illiteracy, superstitions, voters' awareness, cleanliness, menace of plastic and other environmental issues, farmers' suicides, water conservation etc.

The college also provides internships under GOI's "Swachha Bharat Abhiyan" and also provides 2 credits for successfully completing internships.

Such community orientation and sensitization of social issues broadens students' perspective and contributes to their holistic development including their character-building and sense of responsibility and belongingness towards society.

During the pandemic period, we distributed free masks, sanitizers, health care products etc. and took active part in helping District administration in the implementation of various Covid-19 measures including promotion of "Arogyasetu App" and the GOI's massive vaccination drive through videos.

4.1.2 - The institution has adequate facilities for cultural activities, yoga, sports and games (indoor and outdoor) including gymnasium, yoga centre, auditorium etc.)

The institution has created adequate infrastructure for the conduct of various cultural and extra-curricular activities as under:

**Cultural Activities:**

Throughout the year, the college conducts various cultural programmes to mark special occasions and special days. All these programmes are conducted at the Bajaj Bhavan Auditorium which has got the capacity of around 160-70 seats.

For the annual event UMANG which hosts such events as singing, dancing, traditional attire, skits etc. the college uses its open air stage. For the entire cultural week, the college erects a large size pandal with a seating capacity of over 2500 students.

**Yoga, Sports and Games:**

The college offers sporting facilities for both outdoor and indoor games in the form play grounds/courts and gymnasium. The college has appointed two full time Sports Directors for training and coaching students in various games. For those games, for which the college cannot provide training facility, college arranges for outside facilities. Students living at distance prefer clubs especially for Cricket and Football. The college has also set up the Yoga

**Club.**

During the pandemic, the entire sporting activity came to standstill. However, some events like the National Sports Day, were celebrated online.

**4.2 - Library as a Learning Resource**

4.2.1 - Library is automated using Integrated Library Management System (ILMS)

The College is having one of the biggest libraries in the

region. It has got a collection of over 60000 books and it subscribes to several national and international journals as well as e-journals.

The library has a huge clientele of more than 3000 students and staff members. In order to streamline all the library transactions and activities, the college has automated the library with Integrated Library management system (ILMS).

The collegelibrary is using 'Libman': Cloud base Library Management System software in its day to day operations. The software is provided byMaster Soft ERP Solutions Ltd.The Integrated Software provides the following modules for in-house operations and client base services.

1. Acquisitions & Cataloguing
2. Circulation
3. Serial Control
- 4.OPAC
- 5.M-OPAC
- 6.E-resources

The links to all important consortia, digital libraries, self-learning platforms, E-books, E-journals, Open source study material, useful websites, portals of national and international importance etc. are available in the college's official website in the library.

#### 7. MIS Reports:

Management information systems or MIS reports related to the library allow the librarians to extract crucial data & information of all the library transactions at a few clicks. Accurate MIS reports foster better decision-making.

### 4.3 - IT Infrastructure

4.3.1 - Institution has an IT policy covering Wi-Fi, cyber security, etc. and has allocated budget for updating its IT facilities

Realizing the importance of IT as a global competency, the college has made it a matter of policy to make Information Technology available to all the faculty and students and built a very strong IT infrastructure.

It was in keeping with this policy that the college had introduced in 2006, an IT-specific UG programme of B.Com. (Computer Application). Post-autonomy, the curriculum of B.Com. (Computer Application) has been further revamped and the latest IT modules/languages/programmes have been included in the syllabus. Further, post-autonomy. the college has established a separate IT-Department and a separate Boards of Studies in IT.

The IT department is entrusted with the job of creating, maintaining and updating IT infrastructure including the college's website. The college has further adopted the policy of using only the legal and licensed software to ensure fullest possible cyber security.

The college has a 40 MBPS connectivity and having virtual Linux Server for internet and wi-fi management system. All the faculty/students are having access to the wi-fi facility.

The budgetary provisions are made every year for up-gradation/maintenance of IT infrastructure as per the requirements of various departments. We have Annual Maintenance Contract (non-comprehensive) with M/s. Shreeshyam Systems for computer maintenance.

4.4.2 - There are established systems and procedures for maintaining and utilizing physical, academic and support facilities – classrooms, laboratory, library, sports complex, computers, etc.

The college enjoys a huge infrastructure in terms of buildings, classrooms, furniture, electrical and other equipment, IT- related equipment, sporting facilities including gymnasium etc. all of which require proper maintenance from time to times time.

Accordingly, the college has constituted a separate Maintenance of Facilities/Purchase Committee which is mandated to invite quotations from competent vendors for all purchases and repair/maintenance works involving furniture, electricals, computers, civil work etc.

The college has also formed a panel of vendors for purchases of equipment, electricals, furniture, stationery, sports material etc. The college has also on its panel the architects, electricians and carpenters who take care of both

the major and minor maintenance issues. Our Management has also appointed a full-time Civil Engineer.

All the heavy equipments like lift, generartor, photocopiers and the entire IT infrastructure are maintained through Annual Maintenance Contracts (AMC).

Thus all the buildings, equipment, furniture, books etc. in the college are properly maintained to ensure their seamless and fullest utilization by the stakeholders.

Further, the entire college property including buildings, equipment and furniture are insured against burglary, fire and natural calamities.

Further, to maintain its campuses clean and hygienic, the college has deployed a Housekeeping agency.

**5.3.2 - Presence of an active Student Council and representation of students in academic and administrative bodies/committees of the institution**

As per Section 99 (3) of the Maharashtra Public Universities Act 2016, each college has to constitute a Students Council as per the stipulated procedure.

The Students Council is mandated to look after the welfare of students and to promote and coordinate the extra-curricular activities in the college. Accordingly, the Students Council or its departmental representatives conduct various extra-curricular activities at the departmental levels. All the extra-curricular activities in the college culminate in the annual event UMANG, a sports and cultural week, which consists of such competitions as inter-class sports, Rangoli, Mehendi, Art & Craft, Cookery, Singing and Dancing.

In 2020-21, the Students' Council could not be formed because of the Covid-19 pandemic and the ensuing lockdowns. However, several online events were conducted by the Extra-Curricular Activities Committee.

The Students' Council representatives are also included in the College Development Council and the IQAC as well as other

Committees. Their perspectives and feedback are taken into account while planning Academic, Curricular, Co-curricular and Extra-curricular activities in the college. Students are also nominated as Gender Champions to promote gender sensitization. Students are also nominated as Campus Ambassadors for District administration's Voters Awareness Drives.

### 5.4 - Alumni Engagement

5.4.1 - The Alumni Association and its Chapters (registered and functional) contribute significantly to the development of the institution through financial and other support services

The college came into being in 1945 and since then it has produced a host of eminent alumni spread over various careers as academicians, industrialists and entrepreneurs, chartered accountants, politicians and ministers, lawyers, sportspersons etc.

In 1990's, some college students formed an Alumni Association which they registered. Every now and then, the Association conducts its programmes for which the college provides infrastructure.

The college has made an appeal to alumni to submit their feedback on their alma mater through a specially designed

questionnaire which is available on the college website.

As of now, the Management is not accepting any donation from alumni. Instead, the college expects alumni to actively contribute to academics. Thus, prominent alumni are regularly invited as resource persons/guests/guest faculty etc.

The college has also formed a network of its CA alumni called GS-SUN (Skill Upgradation Network) for providing internship to students. Post-graduation, CA/Industry alumni were involved in designing the syllabi of various programmes.

Further, the alumni are also nominated on CDC, IQAC, Boards of Studies and Governing Body.

Thus, both the formal Alumni Association as well as the functional Alumni Networks are actively contributing to the development and progress of the college.

## **GOVERNANCE, LEADERSHIP AND MANAGEMENT**

### **6.1 - Institutional Vision and Leadership**

6.1.1 - The governance of the institution is reflective of an effective leadership in tune with the vision and mission of the Institution

The college was established in 1945 by Shiksha Mandal, Wardha to fulfill the requirement of Commerce education in the region during the pre-Independence period.

Our founders had envisaged the college to be an exclusive centre for Commerce Education and found a reflection of their vision in a very befitting Sanskrit verse: "Udyoginam Purushsinham Urpeti Laxmi" (Industrious and Lion-hearted Men Generate Wealth).

The college has strictly adhered to this vision and has carved a niche for itself as premier Commerce College in India. Reaccredited with 'A' grade, the college today stands tall as the first Autonomous Commerce College in Central India.

This successful journey has been possible because of the effective leadership of our Management headed by Shri Rahul Bajaj, Chairman of the Bajaj Group and Sabhapati Shri Sanjay Bhargava who is an alumnus of IIM-Bangalore.

Further, the College's statutory bodies viz. College Development Committee (CDC), Governing Body, Academic Council, Boards of Studies, Finance Committee etc. include noted academicians, industrialists, alumni, UGC/State Government/ University nominees. Therefore, all decisions regarding governance of the college are taken by the very able and competent persons who are always mindful of the college's vision and mission.

Paste link for additional Information	<a href="https://gscen.shikshamandal.org/institutional-governance/">https://gscen.shikshamandal.org/institutional-governance/</a>

6.1.2 - Effective leadership is reflected in various institutional practices such as decentralization and participative management

The college Management always promotes a culture of participative and decentralized management at all levels in all its colleges.

Decentralization emanates right from the top management i.e. the Managing Committee of Shiksha Mandal, which has delegated various functions to the College Development Committee (CDC) which is a local statutory body where Principal proposes new strategies for fruitful conduct of the session. Resolutions

are passed to create new facilities, learning resources, IT upgradation etc.

There is also the College Council which takes a comprehensive review of T/L activity, conduct of curricular and extra-curricular activities etc. College Council constitutes various Committees/Cells. Each teacher gets to lead minimum one committee which also has 2-3 members. Thus, each teacher gets both a leadership and a membership role.

Further, the college appoints Coordinators/HOD's for its degree and value-addition courses to take care of academic and administrative activities of each programme.

Students, Parents, Alumni and members of society from various fields are nominated on the various bodies.

Thus all the stakeholders are involved in the decision-making process while the powers are vested in various statutory bodies. The combination of decentralization and participatory Management has resulted in a multi-pronged growth of the college.

## 6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ Perspective plan has been clearly articulated and implemented

Our college Management has always put premium on decentralization and participative management.

The feedback received from various

stakeholders/representatives is used for policy-making. All strategic planning for the college's development and growth is discussed in the meetings of College Council, College Development Committee, Governing Body, IQAC etc. on the basis of which Principal prepares the Perspective Plan (PP) for a period of five years.

The college has made a structured progress and achieved various development/growth targets as envisaged in the earlier PP (2012-17) viz. NAAC A-Grade, Autonomy, introduction of new UG programmes, introduction of new value-addition courses, strengthening of IT infrastructure, Construction of Girls Hostel etc.

From 2018-19 the college started its new journey as an Autonomous College and prepared a new PP for 2019-24 keeping autonomy at the centre. Some of the projections/ highlights of the new PP(2019-24) are as under:

1. Rigorous Implementation of Autonomy
2. Curricular Growth of more UG/PG/Value-addition programmes
3. Introduction of more Co- & Extra-curricular Activities
4. Faculty Empowerment Programmes
5. Improving Students' Profile
6. Placements
7. Implementation of UGC/RUSA Schemes
8. Infrastructural Expansion
9. Administrative Reforms

The next PP will be made in 2025 after the college's reaccreditation under 4th Cycle would be over.

6.2.2 - The functioning of the various institutional bodies is effective and efficient as visible from the policies, administrative set-up, appointment and service rules, procedures, etc.

The college's governance is built upon the efficient functioning of various institutional bodies. In addition to the policies of Management, the college's governance is regulated by various Authorities viz. RTM Nagpur University, Government of Maharashtra, UGC/AICTE, MHRD, RUSA, NAAC etc.

Owing to the progressive outlook of institutional bodies/functionaries, the college has taken several decisions/policies to further the college's development. Introduction of autonomy and new UG programmes of B.Com. (Honours) and B.Com. (Finance & Accountancy), increased credits, scheme of additional credits, external/internal assessment, admission policy, attendance criteria, online examinations during the pandemic etc., in departure from the set University systems, are the result of progressive thinking of institutional bodies.

All these policies are well-documented in the Academic Regulations for each programmes and Directions.

Recruitment of staff and faculty and their service conditions are strictly as per the guidelines/regulations issued by regulatory authorities. Our progressive Management has also set some benchmarks for teachers. It is now a matter of policy that unless teachers achieve the stipulated benchmarks, they are not considered for promotions.

Thus, due to the coordinated functioning of all the institutional bodies, the college is making a smooth progress in its new journey as an autonomous college.

**6.3 - Faculty Empowerment Strategies**

6.3.1 - The institution has effective welfare measures for teaching and non-teaching staff and avenues for their career development/ progression

G.S. College of Commerce & Economics, Nagpur has always enjoyed a good HR track-record. Known for its high academic standards, the college is also well known for its transparent and quality-oriented recruitment process and attracts applications from across the country for faculty positions. The college also enjoys a good retention rate owing to its employee-friendly atmosphere and various welfare schemes for both the teaching and non-teaching staff. Some of the major welfare schemes available in the college are as under:

1. Government Provident Fund(GPF) and Pension/Family Pension/Gratuity

2. Defined Contributory Pension Scheme (DCPS)

3. Employees Provident Fund

4. Group Insurance

6. Medical Reimbursement

8. Compassionate Appointments

9. Transfers of employees

11. Employment to retired employees as a reward

12. Employees Co-operative Credit Society

Support to Faculty/Staff for Career Growth:

1. Merit policy in recruitment.

2. Confirmation in services of subject to excellent performance.

3. Extension of probation period in case a teacher is found wanting in certain areas.

4. Giving CAS/time-bound promotions

5. Leadership opportunities by giving key roles .

7. Providing all infrastructural and financial support/seed money/sabattical leave for research/study leave

Owing to the supportive management, the college has always enjoyed a high faculty retention rate.

<b>6.4 - Financial Management and Resource Mobilization</b>	
6.4.1 - Institution conducts internal and external financial audits regularly	

The institution has both the internal and external audit mechanisms in place for both grant-in-aid and self-financing structures.

#### Grant-in-aid structure

For Grant-in-aid structure, Internal Audit is done twice a year by a team of Auditors appointed by the Management.

External Audit: At stage one, is done by the Joint Director, Higher Education (Grants), Nagpur for both salary and non-salary grants.

At stage two, the Senior Auditor (Government of Maharashtra) audits the accounts and records his objections, if any, for compliance.

At stage three stage, AG audits the accounts for settlement.

#### Self-financing Structure:

For Self-financing structure, Internal and External Audit is done twice a year by a team of Auditors appointed by Shiksha Mandal. During the session 2020-21 no major audit objection was there except a few queries here and there which were duly complied.

#### 6.4.3 - Institutional strategies for mobilisation of funds and the optimal utilisation of resources

The following are the major sources of institutional receipts:

- Salary and non-salary grants from the State Government
- Fees
- RUSA/UGC/ICSSR assistance
- Miscellaneous receipts
- Advances/contribution from SM

The institution has to manage itself with the funds available to it for all recurring and non-recurring expenditure.

Salaries in grant-in-aid structure are paid by the Government while that of the self-financing courses are paid by Management.

The maintenance and purchase of office equipment/furniture is to be done through non-salary grant. Any expenditure over and above the prescribed limit is borne by the Management.

Strategies for mobilisation of funds:

##### A. Fees:

After becoming autonomous, the college has revised its fees structure in order to meet examination expenditure. Development fee is collected for developmental activities.

##### B. Funding by External Agencies:

For capital expenditure like construction and purchase of equipment, the college seeks grants from external agencies

like RUSA, UGC etc.

At present the college is in receipt of RUSA grants of 2 Cr, and 80 lakh from UGC for Girls Hostel.

**C. Advances/Contribution by Management:**

Any expenditure over and above the RUSA/UGC allocation is borne by the Management. The Management has also spent over 10 Cr for construction of Bajaj Bhawan.

## 6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing quality assurance strategies and processes visible in terms of incremental improvements made during the preceding year with regard to quality (in case of the First Cycle): Incremental improvements made during the preceding year with regard to quality and post-accreditation quality initiatives (Second and subsequent cycles)

The college has integrated its quality policy with NAAC's quality assurance policy and has entrusted the IQAC to implement various quality measures recommended by NAAC and Management.

The IQAC has not only succeeded in streamlining various academic and administrative activities but also inculcated a definite quality culture. IQAC has complied with the last Peer Team's suggestions in terms of autonomy, Girls Hostel, starting new course etc.

After the award of autonomy, IQAC has expanded its scope and helped setting-up various autonomy systems and mechanisms.

During the pandemic period, IQAC suggested various measures to make online T/L activity more purposeful and interesting. Some of the other significant contributions made by IQAC in 2020-21 are:

1. Online counselling sessions for admission to new programmes of B.Com. (Hons) and B.Com. (Finance & Accountancy).
2. Strategised conduct of online examinations of W/2020 and S/2021.
3. Conducted with Research Cell 26 online national webinars on diverse topics.
4. Streamlined conduct of online Students' Induction Programme and other online events

**INCREMENTAL IMPROVEMENTS POST-ACCREDITATION:**

1. Implementation of Autonomy from 2018-19.
2. Launch of two new UG programmes of B.Com. (Hons) and B.Com. (Finance & Accountancy) in 2020-21.
3. Expansion of physical and IT infrastructure

6.5.2 - The institution reviews its teaching-learning process, structures and methodologies of operation and learning outcomes at periodic intervals through its IQAC as per norms

The Teaching-Learning process in the college is monitored as per the following mechanism:

- The college has appointed the HOD's and programme coordinators for continuous monitoring of the T/L activity.
- At the beginning of session, teachers are assigned their workload and time-table, and given academic diaries.
- Accordingly, all teachers submit their teaching plans and syllabus completion schedules, evaluation strategies to HOD's/Principal through academic diaries.
- The progress of syllabus is monitored by the respective HOD's every week and by Principal every month.
- Appropriate teaching techniques and methods are adopted

by teachers for the maximum transaction of syllabus as per the recommendations of HOD's/Principal/Management.

- The progress of the T/L activity and other academic performances of students are discussed in the College Council and the College Development Committee meetings.
- After the examinations are over and the results are declared, a comprehensive academic audit is done by the Academic Audit Committee. The committee also identifies the weak areas and suggests suitable corrective measures that teachers need to take to improve results.

The academic performance of the teachers also is subjected to external review by Shiksha Mandal which reviews academic diaries, PBAS formats and CRs of teachers before approving the promotions of teachers.

## INSTITUTIONAL VALUES AND BEST PRACTICES

### 7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

Our institution is a zero tolerance unit for all sorts of harassments and promotes gender equity through the following measures:

- Internal Complaints Cell (ICC):

The College has constituted the ICC as per the Guidelines issued by the Government for redressing the grievances of women/girls. The Committee is mandated to initiate inquiry in harassment cases, if any. No cases of harassment have been reported so far.

- Women's Cell/Girls Guidance & Counselling/Prevention of Sexual Harassment at Workplace Committee:

The College has further constituted the Girls Guidance & Counselling/Prevention of Sexual Harassment at Workplace Committee, known as Women's Cell, which regularly conducts counselling sessions by experts/counsellors. There are complaint boxes in each building. The link of the Cell is also provided on the college website.

- Entrepreneurship Development Cell for Women:

In addition to the regular ED Cell, the College has also formed a separate ED Cell for Girls.

- **Gender Champions**

In 2020-21, the college conducted the following programmes for the promotion of gender equity:

1. A webinar on 'General Health issue of Working Women' by Dr Kshama Kedar on 8.3.2021 (Participants: 50)

2. Online Awareness Programme on "Balika Diwas" on 24.1.2021 (Participants: 150 girls; 100 boys)

**7.1.3 - Describe the facilities in the institution for the management of the following types of degradable and non-degradable waste (within a maximum of 200 words)**

**Sprawled over 6 acres, the College campus generates a lot of bio-degradable and non-degradable waste which needs to be managed and disposed following prescribed protocols. In order to address this issue the college has set up a Campus Beautification Committee which tends to the waste management part as under:**

**Degradable Waste Management:**

**1. Dustbins: Dustbins are placed in all classrooms/buildings**

to manage all litter across the campus.

2. **Composting:** Compost pits are built for depositing all the bio-degradable/organic waste like dried leaves/grass (green waste), paper waste and food waste (canteen). The manure produced in the pit is used as a natural soil-enrichment for plants in the institution's premises.

3. **Incineration:**For disposing the used sanitary napkins.

4. **Recycling:** Used stationery, old newspapers etc. are sold to scrap-dealers for recycling. Further, old and delapidated wooden/steel furniture is either recycled for making new items or sold as scrap.

#### Non-Degradable Waste Management:

1. **Plastic:**The College promotes "Say No to Plastic Policy". Still, all the incidental plastic waste is handed over to Nagpur Municipal Corporation for proper disposal.

2. **E-Waste:** The old and obsolete electronic products like computers, printers, old electrical and electronic items are sold as scrap after destocking.

**The College attracts students from across the country and currently students from 13 states are admitted in the**

college. Still, the campus life is underscored by tolerance and harmony towards all cultural, regional, linguistic, communal, socio-economic and other diversities.

To maintain a tolerant and harmonious campus atmosphere, the college has taken various measures as under:

- Undertakings at the time of admission that students would not discriminate with peers on any ground
- Anti-ragging Committee/Undertakings
- Anti- Caste Discrimination Committee
- Sexual Harassment Committee
- Committee for Disabled Students

Ek Bharat Shreshtha Bharat (EBSB) Club (A RUSA initiative)

The EBSB club is mandated to celebrate unity-in-diversity of India. Currently, our college is paired with Odisha . The Club organizes various activities like screening of popular films in Oriya and Marathi Languages, documentaries, cookery events etc. to promote bonding between the Marathi and Oriyan cultures.

In 2020-21, various activities/events were conducted online.

**EBSB-Cultural Events:** During the college's cultural event, students from various states showcase their traditional attire, folk dances, songs, food-dishes, art/craft etc.

**Language Study Circle Activities:** Language Study Circle also organises competitions to promote literatures of various languages to promote regional and linguistic harmony.

GS-Film Society also screens films in different languages.

7.1.9 - Sensitization of students and employees of the institution to constitutional obligations: values, rights, duties and responsibilities of citizens:

The College's vision focuses on not only making our students

the competent youth but also to mould them into good citizens. It is not without reason that one of the 4 bench marks that Shiksha Mandal has set for all its colleges is "100% students with good character" to go with other bench marks of 100% Results, 100% First Divisioners and 100% Placements. Thus all Shiksha Mandal colleges put premium on values, ethics and morality, character-building etc. to make students good human beings and good citizens.

In order to sensitize students of their constitutional obligations, the College has taken the following initiatives:

1. National Anthem in classrooms and at the conclusion of official college events
2. Celebration of Constitution Day (26th November)
3. Introduction of Constitution of India as a course/subject (Open Elective) under autonomy
4. Celebration of National Days, Anniversaries of Mahatma Gandhiji and other national heroes/patriots/statesmen etc.
5. Blood Donation Camps and other extension/outreach activities by NSS/NCC Units

Students Induction Programme (SIP):

As per the UGC guidelines, the College also conducts an SIP at the beginning of session and appries students of their duties, responsibilities and social/constitutional obligations to make them good students and model citizens.

**7.2 - Best Practices**

7.2.1 - Provide the weblink on the Institutional website regarding the Best practices as per the prescribed format of NAAC

Being the first Commerce College in Nagpur, the college has always been looked upon by stakeholders as a pioneer

institute and the college has lived up to their expectations by introducing various best practices from time to time as under:

1. GS COMNEXT: An annual inter-college event consisting of activities/competitions like Commerce Exhibition, GS-Success Stories, Company Analysis, Commerce Quiz and Debate Competition.

2.GS-SUN (GS-Skill Upgradation Network):The College has formed a network of some of its alumni-CAs in the city for providing internships to students. Each year 50-60 students are provided internships by the CAs in the Network.

3. Commerce Study Circle: CSC has formed various clubs/societies viz. "Arthashastra- AnEconomics Society", "TRIVIATRIX - A Quiz Club" and "ARBITRAGEURS - An Investors' Club".

4.Additional Credits for Performance in Value-Addition Courses (VAC) and Extra-Curricular Activities (ECA).

Owing to COVID-19, the college could not conduct GS -COMNEXT and GS SUN. However, Commerce Study Circle engaged students in various online activities.

Further, to safeguard its students from Covid-19, the college conducted a special vaccination drive for its students and staff in collaboration with Bajaj Auto Limited.

Thus, for 2021, the college would like to present Commerce Study Circle and GS-Vaccination Drive as its best practices.

### 7.3 - Institutional Distinctiveness

7.3.1 - Highlight the performance of the institution in an area distinct to its priority and thrust (within a maximum of 200 words)

The College has started its new journey as an autonomous college from 2018-19 to further expand its vision and mission. Thus, from 2018-19, the College's thrust area has been successful implementation and execution of autonomy.

As an autonomous institution, the college revamped all UG/PG programmes and introduced several reforms in terms of assessment strategies. Autonomy was hugely welcomed and the first autonomous PG and UG batches have rolled out in S/2020 and S/2021 respectively. Further, from 2020-21, the College has introduced 2 new UG programmes of B.Com. (Honours) and B.Com. (Finance & Accountancy) which, despite the pandemic, attracted admissions from across India. Thus, after successfully meeting the challenges of autonomy, the college has now settled in its new avatar of an autonomous institution.

Further, the pandemic threw up new challenges of online education. Here again the College came up trumps. Both teachers and students mastered the art and science of online education and completed the syllabus without reducing it. Even in online examinations, the college conducted full length/descriptive pattern examinations instead of the popular one hour MCQ pattern as implemented by the parent University. Thus, despite the challenges of Covid-19, the College has maintained the sanctity of examinations.

7.3.2 - Plan of action for the next academic year

2020-21 has been a very challenging year for one and all and even the new session 2021-22 has begun under the shadow of Covid-19. However, Corona seems to be relenting and hopefully, we can look forward to physical classes and normal

campus life in near future.

The College has successfully completed 3 years of autonomy and already seen off 2 PG batches (S/2020 & S/2021) and 1 UG batch (S/2021). It has also started 2 new UG programmes and already introduced over a dozen value-addition courses.

The College hopes to build upon this good start as per the following Action Plan for 2021-22.

1. To make online education more comprehensive by introducing innovative onlineT/L methods.
2. To make online examination systems more full-proof to preserve sanctity of examinations.
3. To keep physical infrastructure ready for offline classes/examinations whenever it becomes feasible.
4. To apply for new UG/PG Programmes in keeping with NEP.
5. To introduce new Value-addition Courses (VAC) to provide students more options for earning additional 2 credits.
6. To effect MOUs with Industry/external agencies for internships, field visits and placements.
7. To institute Prizes, Medals, Scholarships etc.
8. To hold first Convocation as an autonomous college.
