Dr. N. Y. Khandait then explained the college's point of view regarding the conduct of Winter 2021 examination in the wake of the Covid-19 situation. He shared the statistics of vaccinated students and added that since all educational institutions have reopened and fully vaccinated students are allowed to attend the classes, the college is of opinion of conducting Winter/2021 examination in both offline mode (for fully vaccinated students) and online mode (for partially and non-vaccinated students).

However, all the experts present in the meeting were of the view that it would not be advisable to conduct examination of the same batch of students in two different modes which may create some technical problems. Further, students may also face difficulties in transport, hostel and lodging boarding facilities etc. while reporting to the college for offline examination. The brief summary of the views expressed by the experts is as under:

- Shri. Gulabrao Thakare: The college should conduct examination in either fully offline mode or fully online mode instead of adopting the hybrid mode. In view of the pandemic situation, the preferred mode of examination should be online only.
- Shri. Hemant Singhal suggested that the examination should be in online mode only.
- Shri. CA Julfesh Shah: Owing to the Government Guidelines, the examination should be conducted in online mode even though the college may have sufficient infrastructure for the conduct offline examination.
- Dr. Sujit Metre: Since students below 18 and with single-dose who form a big chunk of students will be prevented from taking offline examination, it would be better that examination should be conducted in online mode.
- Dr. Pandurang Dange: Examination should be conducted in online mode in view of the difficulties in conducting the examination in offline mode especially for outstation students.

Accordingly, it was decided that a revised direction prescribing only online mode for the conduct of Winter 2021 examination should be drafted and shared with the academic council on 29.11.2021. The meeting was therefore adjourned.

Subsequently, the revised draft of direction was circulated among all the members of the academic council on 29.11.2021 in the morning and the adjourned meeting was reconvened on 29.11.2021 at 04:00 p.m.

All the members of the academic council unanimously approved the revised direction regarding **"THE CONDUCT OF EXAMINATION OF WINTER 2021 FOR REGULAR STUDENTS OF ALL ODD SEMESTERS OF ALL UG AND PG PROGRAMMES AND EX-STUDENTS WITH BACKLOG OF FAILED SUBJECTS OF ALL PREVIOUS SEMESTERS OF ALL UG AND PG PROGRAMMES IN THE WAKE OF COVID-19"**.
