Online Education

1. Does all programs/courses were completed on time.	Yes		
2. Measures taken to complete the syllabus of courses and programs.	<p>Measures taken to complete the syllabus of courses and Programme</p> <p>G. S. College of Commerce and Economics, Nagpur is an autonomous college from the session 2018-2019. The college follows all the rules, regulations and guidelines of UGC related to academic calendar, number of working days, teaching weeks, working hours etc. The college followed all the UGC regulation of in the sessions 2018-2019, 2019-2020 and provided 90 teaching days for completing the syllabus of each course of each programme. In these 90 days (15 weeks), each course was provided with 75 lectures of 48 minutes each. In this way each course got 3,600 minutes (75*48) to teach and complete the prescribed syllabus. In session 2020-2021, due to Corona lockdown restrictions and various other norms (SOP), the college could not conduct the semester end examinations as per the regular schedules and most working days were lost, particularly, during the odd semester of session 2020-2021. It resulted into late conduct of examination of odd semesters and the results were declared late. To compensate the lost time in odd semesters and to conduct the examination of even semesters for the session 2020-2021 on time, the college reduced the working days from prescribed 90 days (15 weeks) to 60 days (10 weeks) as decided in the College's Academic Council in the meeting conducted on 24.06.2021. For compensating the loss, in term of days, the college prepared the time table in such a way that all course were conducted on all the six days of a week. The duration of the period was also raised to one hour instead of 48 minutes. Thus the college took extra efforts to meet UGC guidelines of minimum 90 days teaching i. e. 3,600 minutes for completing the course by allotting 6 lectures of one hour duration to each course (60 hours * 60 Min.) to complete the syllabi in 60 days.</p> <p>In the session 2021-2022, the late declaration of the HSC result and even semester examinations of the college, the initial period of odd semesters was lost. Usually the odd semester start between 15th June and 1st July but due to corona situation college started their odd semesters in the month of October. To compensate the lost period and complete the syllabus on time the college decided to use same practice of session 2020-2021. In session 2021-2022, the college allotted six lectures in day of one hour duration to complete the syllabus of each course of each programme. In this way the college was able to complete minimum teaching requirement of 3,600 minutes to complete the syllabus and compensate the loss of days by increasing the number of lectures along with the duration of the lecture. Thus the college could complete the entire syllabus and examination of even semester also on time. Now, the new session i.e. 2022-23 can start from 15th June, 2022.</p>
