13. Why do you want to become a Gender Champion (not more than 250 words)?

My motivation stems from a deep-rooted belief in the importance of creating a more equitable & inclusive society. I am driven by the conviction that gender equality is not just a women's issue; it is fundamentally human right issue that affects us all. By advocating for gender equality and challenging traditional norms & stereotypes, I aim to contribute to a world where everyone can thrive, regardless of their gender identity.

By becoming an active Gender Champion, I seek to address the pervasive gender disparities that persist in various sphere of life. These disparities affect to education, economic opportunities, etc. By application of these thoughts to work for society I can deal with multiple issues. Hence to address the above points I should become a G.C.
