14. The covid 19 pandemic was a nightmare for many of us. Entire world faced this. Many of the people lost their lives in this pandemic. To reduce the risk of covid vaccine was developed in short duration for the mankind. Our nation was one of them. We, therefore, carried massive vaccination drive all over India. Our college also took initiative by conducting special vaccination drive in the college. Some more than 30 students were vaccinated.

16. The students of this era are becoming more self-centric. Hence, the NSS camps play important role in developing general understanding and changing the thought process of the students, camps are usefull. The students learn a lot from such kind of community living, though for a short duration. They try to adjust to the situation and learn to cooperate with each other.
