Career Guidance & Placement Cell

This is to inform you that in the year 2018-19 and in 2019-20, the students who participated Physically in Campus Drives at our College Premises are 90 students of all Course (in 2018-19) and 25 students (in 2019-20 before lockdown). For these students our Placement cell has collected all Supportive Documents like offer letters or Direct Mails from Recruiters. (Copies Attached and submitted to respective Course Coordinators.)

But In case of Off Campus and Online Recruitment Drive conducted by online recruiters like TCS or Concentrix the no of students participated are 77 students (2018-19) and 165 students (in 2019-20). For such students, the placement cell has received Expressions of Interest or offer letters only from few students.

Reason is that, not all students gave online acceptance to respective recruiter or didn't done documentation processing. So offer letters were not issued to them even though they were selected in that online drive.

This explanation is submitted for your kind reference.

Best regards,

Dr. Sonali Gadekar
Convenor,
Placement Cell.
