Report of Computerised Accounting (TallyPrime) 2021 – 22

We started the Computerised Accounting 'Tally' course in 2013 to provide the knowledge of tally software. We have got the overwhelming response of the students every year. This year we have admitted 35 students in the course. As per the demand of the students, we have made a MOU with STIPL, Tally Institute of Learning Nagpur, for the period of one year i.e. beginning from 13th Nov. 2021.

As per the market requirement we upgrade our application from Tally.ERP9 to TallyPrime and more focused on GST concepts with its reports as well as TCS, TDS, Payroll and Bank Reconciliation. All the students performed well in the online examination which was conducted on 01-07-2022 and 04-08-2022 by Tally Education at their own authorised centre. Total 33 students were appeared for the examination and 33 were cleared the examination successfully.

I give thanks to Dr. N. Y. Khandait Sir and Prof. Pravin Yadao Sir for their continuous support and encouragement time to time. I also give a special thanks to entire team of (BCCA) IT department of the college.
