(Autonomous)

Direction No. 1 of 2024

REGARDING CARRY ON SCHEME FOR THE PROGRAMME OF B.B.A. MAJOR IN FINANCE &
MARKETING [NEP]

G. S. College of Commerce and Economics, Nagpur, was granted autonomy by the University Grants Commission (UGC) and RTM Nagpur University, Nagpur, starting from the 2018-2019 session. From the academic year 2023-2024, the college implemented the New Education Policy-2020 for all first-year undergraduate and postgraduate courses, except for the MBA program, as per the government resolutions received on 20-04-2023 and 16-05-2023.

From the session 2024-2025, the BBA course has been transferred to AICTE, but the college has chosen not to continue with AICTE accreditation and instead introduced a new programme B.Com. major in Business Administration from the session 2024-2025 and therefore, the college has ceased first-year admissions for the BBA major in Finance & Marketing (NEP) course.

To prevent academic loss for the students of BBA major in Finance & Marketing (NEP), the college has decided to implement the Carry-On scheme for them. The college wishes to design a Carry-On scheme for the students of BBA major in Finance & Marketing (NEP) who were admitted in the session 2023-2024 and have either failed or not received the ATKT. This academic year 2024-2025, the college will conduct regular classes for second-year students of BBA major in Finance & Marketing (NEP), but those who fail or do not meet the ATKT requirements will not be admitted to the second year and consequently, the college will be unable to conduct second-year classes for these failure students in the following year.

As an autonomous institution, G. S. College of Commerce and Economics has the authority to design and implement an admission process for students who failed in their first year during the 2023-2024 session. These students will be allowed to proceed to the second year (BBA major in Finance & Marketing Semesters III & IV) under a Carry-On scheme. Additionally, they can continue to the third and fourth years (Semesters V & VI and Semesters VII & VIII) in the academic years 2025-2026 and 2026-2027, respectively, under the same Carry-On scheme.

Therefore, the following Carry-On Scheme shall be operative from 2024-2025 for the BBA major in Finance & Marketing (NEP) second-year program, and from 2025-2026 and 2026-2027 for all third-year and fourth-year programs, respectively.

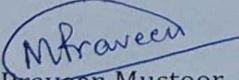

- A) To overcome the academic loss of the BBA major in Finance & Marketing (NEP) students, the college has devised a scheme called "Carry On." This scheme allows students who have failed in some or all subjects or have not met the ATKT

- (Allowed to Keep Terms) requirements to seek admission in the second year for the session 2024-2025.
- B) For the session 2024-2025, students who have not fulfilled the ATKT rules, as defined in the college's regulations for BBA major in Finance & Marketing (NEP), are given the opportunity to secure admission in the second year.
 - C) The students should fill the admission form for seeking admission in second year in the session 2024-2025, third year in the session 2025-2026 and fourth year in the session 2026-2027.
 - D) Students interested in availing the Carry-On scheme must submit a hand-written application in favor of the Principal of the college expressing their desire to be admitted in the second year for the session 2024-2025, the third year for the session 2025-2026 and the fourth year for the session 2026-2027. The application should clearly state the student's request for admission in the desired year and session. The application must include relevant details, such as the student's name, roll number, course, the name of the subject(s) in which he/she has failed in earlier semester and the reasons for seeking admission through the Carry-On scheme.
 - E) The deadline for submitting the Carry-On application will be communicated by the college office. Late applications may not be considered, and the college reserves the right to reject applications received after the deadline.
 - F) The decision to grant admission through the Carry-On scheme will be based on the student's academic performance and overall suitability. The college administration holds the authority to make the final decision regarding admission under the Carry-On scheme.
 - G) Students who are granted admission through the Carry-On scheme will be notified by the college administration. The notification will include instructions regarding the fee payment and any additional requirements for admission.
 - H) The students must complete the necessary admission formalities within the designated time frame and students are also expected to fulfill all academic requirements, attendance regulations, and any other obligations outlined by the college.
 - I) Students who do not apply for admission through the Carry-On scheme will not be considered under this scheme. The college will not be held responsible for the academic loss of students who do not avail the Carry-On scheme.
 - J) The final result of such students will be declared after clearing/passing all the subjects of all the semesters.
 - K) These Direction No. 01 of 2024 will be automatically nullified upon completion of the admissions of BBA major in Finance & Marketing (NEP) course in the session 2026-2027.

This Direction has been approved by the Academic Council of the college in its meeting dated 08-05-2024, and by the Governing Body in its meeting dated 24-10-2025.

The Direction shall come into effect from the academic session 2024-2025 for BBA major in Finance & Marketing (NEP) Programme.

Dr. Praveen Mustoor
