GS-COMNEXT 2025-26

It gives us immense pleasure to cordially invite students from the various colleges to our G.S. College of Commerce & Economics, Nagpur at the fifteenth edition of its Annual State Level Mega Academic event GS-COMNEXT being organized on February 17-18, 2026.

G.S. College of Commerce & Economics, Nagpur is city's first Commerce College. Through more than 75 years of academic excellence, it has carved a niche for itself as a premier Commerce College in the region. It is NAAC Re-accredited institution and has become the first Autonomous Commerce College in the RTM Nagpur University from 2018-19. It is also a MHRD RUSA beneficiary Institution. G. S. College became the first autonomous college to implement NEP-2020 for UG and PG programme from session 2023-2024.

Catering to the curricular needs of over 4000 students in various UG/PG/Junior-MCVC courses, the college has remained committed to its motto of "Industrious and Lion-hearted Men Generate Wealth" and produces, year after year, the batches of competent young men and women who are contributing to the wealth of our nation. Besides focusing on the core academics through the autonomous programs of B.Com./B.Com.(C.A.)/BBA/BCBA/B.Com.(F&A)/M.Com./MBA, the college also offers to its students more than 25 value-addition courses like TCS' BPS, NSE's NCFM, ICMAI's CAT, Cambridge English's BEC, Tally Education's Tally, in collaboration with prestigious bodies. For holistic development of students, the college also offers guidance programmes like ECA, Sports, NCC, NSS, Commerce and Language study circle, CA-CPT/CS-F, NET-SET, Competitive Examinations etc. and Skill based grooming programs like GS-SUN, Bajaj FinServ's CPBFI, On-the-Job Training/Field Project and Community Engagement Programme to train the students for internship and employment opportunities.

In order to ensure the overall development of students, the college conducts a cornucopia of curricular activities which culminate in GS-COMNEXT every year.

Dear Students,

GS-COMNEXT was launched in 2010 as a platform for promoting various co-curricular activities for students of Commerce in the city with a view to keep them abreast with the latest in Indian Economy, Commerce & Industry and to offer them opportunities through various Commerce-specific events and competitions to explore their talent and skills that are seldom tested in class rooms. The college owes the concept and genesis of GS-COMNEXT to Shri Sanjay Bhargava, Chairman, Shiksha Mandal, Wardha, who, being from industry, knows precisely what skills are required in students, besides their academic acumen, to be professionals of the top drawer and thus gave substance and shape to GS-COMNEXT which proposes to add some co-curricular dimensions to the profile of Commerce students.

GS-COMNEXT, a two-day event, comprises competitions like Commerce Quiz, Company Analysis and Product Branding. It also hosts a chat show called 'GS- Success Stories' wherein our young and successful alumni share their experiences and success stories with the present batch of students.

GS-COMNEXT aims to bring about an interface between the illustrious alumni and the present batch of students. The previous editions of GS-COMNEXT have been graced by eminent alumni such as CA Shri Jaydeep Shah- Past President of ICAI, Shri Nilesh Sathe (Director & CEO, LIC Nomura), Shri Manish Nuwal (Executive Director, Solar Industries India Ltd.) and many others. The pleasure and pride with which our alumni relate their experiences and motivate present students to excel in life is indeed a great experience for one and all. We invite you to be part of this experience.

We wish you all the best for the events and competitions with a belief that you would emerge as winners and learners after experiencing GS-COMNEXT.

We welcome students from different colleges to this event and request them to showcase their talent by participating in the various competitions of GS-COMNEXT: 2025-2026.
