From Principal's Desk

Dear Students and Parents,

Welcome to one of the most prestigious and the first autonomous commerce college in Rashtrasant Tukdoji Maharaj Nagpur University. G. S. College of Commerce and Economics, Nagpur, has a legacy of imparting quality commerce education since many decades and is successful in churning out the best talent in the field of commerce and Management.

Academic Autonomy was granted to the college in 2018-19 and since then the college has taken commerce education to newer heights by incorporating modern industry trends in the syllabi. The college has meticulously designed the syllabus of each and every course relevant to the programs that are being offered. The autonomy syllabi for various UG and PG programs are structured to meet the demands of today's corporate world in line with the National Education Policy. The NEP provides the option of multiple entry and multiple exits, flexibility in programs and academic bank of credits which would help students to have choices.

Other than the rigor of academic program, the college also encourages skill development and value-added programs related to the field of commerce in order to make the students more competent and industry ready. The college is equipped with spacious, adequate and modern infrastructure to provide high quality education in the field of commerce and thrust on the holistic development of students by way of varied extra-curricular activities, sports, cultural and co-curricular events throughout the academic sessions.

Regular classes, continuous evaluation, innovative pedagogy techniques and more than 25 Value addition programs for knowledge and skill development, prepares the students for the global competition.

You are most welcome to be a part of our GS family and thereby experience a fruitful and productive academic journey.

Dr. Praveen J Mustoor
Principal

OUR VISION

'To be a premier Institution in commerce and management education that fosters excellence in teaching, learning, and research, while developing competent, ethical, and socially responsible Individuals contributing to the global economy'.

OUR MISSION

- To nurture critical thinking and Innovative skills through contemporary teaching methodologies and exposure to practical business challenges.
- To foster research, entrepreneurship, and leadership abilities that contribute to the socio-economic development of the nation.
- To build a community of lifelong learners who continuously engage in self-development and uphold integrity, professionalism, and social responsibility.
- To make quality education accessible and affordable, particularly for students from low-income families, empowering them for a better future.

OBJECTIVES

- To provide a comprehensive and flexible curriculum that integrates theoretical knowledge and practical skills.
- To cultivate an environment that encourages research, Innovation and entrepreneurship.
- To equip students and staff with technological proficiency and adaptability to the changing economic landscape.
- To emphasize ethical behaviour and social responsibility in all educational practices.
- To prepare students for global competitiveness through skill development and continuous learning.

Shiksha Mandal, a century-old institution in Wardha, founded by Shri Jamnalal Bajaj, has been deeply rooted in India's freedom struggle and Gandhiji's ideologies. The nation's first education conference was held in Shiksha Mandal in 1937, presided over by Gandhiji which gave rise to the idea of Nayee or Buniyadi Talim. It started with a hostel in 1914 and expanded to schools, colleges, and institutes focusing on commerce, science, rural development, and technology. The institution's excellence is reflected in its NAAC accreditation and awards like the "Ideal Educational Institution Award," and a long list of prominent alumni.

Shiksha Mandal's Motto, 'Aadanahi Visargaya' (whatever is gained is for sharing), underscores its commitment to value-based education at affordable cost. The institution upholds values like merit, honesty, justice, simplicity, and social responsibility. Shiksha Mandal nurtures students regardless of their financial resources and provides special scholarships for those striving to improve, ensuring equal opportunity to all. The medium of instruction is mainly English, with sections in Hindi and Marathi in commerce colleges. The policy of merit is scrupulously followed in admissions, assessments, recruitment and administration. Its infrastructure includes sprawling campuses, libraries with extensive collections, computer labs, and internet connectivity.

Three of the Shiksha Mandal Colleges have already been conferred with Autonomous status by the UGC while others are gearing for Autonomy. Two of its colleges have been the recipients of MHRD's RUSA grants of TWO CRORE each. Moving forward, Shiksha Mandal aims to establish a cluster of colleges and potentially develop into a deemed university. This strategic expansion will further enhance its educational

offerings and continue its legacy of excellence. Shiksha Mandal is committed to attaining complete student success across the board and has set ambitious benchmarks: 100% Results, 100% First Division, 100% Placements and 100% students with strong character.

Shiksha Mandal Institutions comprise of - G. S. College of Commerce, Wardha (1940), G. S. College of Commerce & Economics, Nagpur (1945), S. J. Grameen Seva Mahavidyalaya, Pipri-Wardha (1961), Agriculture Science Course, Rural Institute, Pipri-Wardha (1962), J. B. Science College, Wardha (1962), A. S. Polytechnic, Pipri-Wardha (1968), R. B. A Journey of Academic Excellence

About The College

G.S.College of Commerce & Economics, Nagpur, was founded by Shiksha Mandal, Wardha, in 1945. It is the first commerce college of Nagpur city and second of RTMNU and is known for its high academic standards, value-based education and ethical practices. Spread over a sprawling, eco-friendly campus in the heart of the city, it offers a wide range of programs from class XI, XII (Junior college/HSVC) to UG/PG/Ph.D; inclusive of 4 UG programs like B. Com, B. Com (Computer Applications), B. Com (Business Administration), B. Com (Finance & Accounts) in collaboration with ACCA, London, and 2 PG programs of M.com and MBA. Apart from these core academic programs, it has designed around 25 different value-added short-term certificate courses for imparting various skills to the students. A number of platforms are provided to the students inclusive of ECA, Sports, NCC, NSS, Commerce and Language study circles and music, dance, yoga and creative clubs for the overall holistic personality development of students. Skill based grooming programs like GS-SUN, CPBFI, OJT and internships train the students for internship and employment opportunities.

With the dynamic leadership of its Management under the Presidentship of Shri Shekhar Bajaj and Chairman Shri Sanjay Bhargava, the college is striving relentlessly to provide quality education at affordable cost, with innovative approaches to education in commerce and Management. The college implemented autonomy from the year 2018 and is the first autonomous commerce college of RTMNU. Autonomy empowered the college to design its own curriculum to meet the needs of industry/corporate world, to conduct its examinations and to implement its evaluative mechanisms and also to adapt innovative T/L methodologies. This flexibility in design and development of its curriculum, done in consultation with external experts, mold the students on the desired lines. Apart from the traditional program of B. Com, offered in three mediums, it has over the years added new programs of B.com (Computer Applications), B. Com (Business Administration) and B.com (F& A). The addition of new programs and upgrading of its curriculum helps to achieve the objective of 'Quality Education at an affordable cost'.

With the advent of NEP-2020, the college was the first autonomous commerce college in RTMNU to implement NEP-2020 from the year 2023-24. It redesigned its courses of various programs under autonomy to blend them in the different baskets under NEP. The college has constituted its own Board of Studies, Academic Council and Governing Body which approves the revised syllabi, new courses, new academic regulations and revised/new Directions. The syllabi is frequently updated to prepare students for corporate and global competitions.

The college believes in imparting quality education with a blend of traditional and modern teaching methodologies. ICT based T/L, case studies, classroom activities, industrial tours, study tours, retail mela for entrepreneurship, commerce club activities, field projects and internships, on-the-job training, research projects, Guest lectures and seminars and many more makes T/L a very productive process. For imparting these academic programs, VAC and training and mentorship in various activities, the college has a qualified, dedicated and experienced team of teachers, who strive to give shape to the personality of students. We invite you to be a part of this journey from 2026-27 onwards.

Important College Committees/Cells/Study Circles

The college has set up various college committees for the conduct of all curricular, co-curricular, and extra-curricular activities. Similarly, there are also committees to offer guidance/counseling to our students, or to redress their grievances. The committees are headed by teacher-conveners/coordinators. Students are advised to contact the conveners for participating in activities, or for any other queries related to their studentship and other problems.

- 1) **Anti-Ragging/ Caste Discrimination / Grievance Redressal Cell:** As per the directives of the Supreme Court of India and the UGC, Ragging and Sexual Harassment are to be treated as crimes and thus punishable after prosecution. Students are advised to report any incidents of ragging or harassment or Caste Discrimination without any inhibition or fear to the Committee in person or on phone. **There is also an All-India Helpline (1-800-180-5522) for reporting crimes related to Ragging.**
- 2) **Girls Guidance and Counselling / Internal Complaints Committee:** This committee is constituted to solve the girl students' academic and personal problems through proper counselling. The committee also organizes special interaction sessions by lady doctors, professionals/entrepreneurs etc. for counseling the girls on health and hygiene or proper careers. There is also separate Internal Complaints Committee to deal with the sexual harassment issues. **There is also a Police Helpline (1091) for reporting cases of Sexual Harassment.**
- 3) **Internal committee for students with Disabilities Equal opportunity cell-**
The committee monitors the provision of facilities on Campus to students with disabilities and also monitors on the provision of equal opportunities to all the students.
- 4) **Students Representative Council (SRC):** Every year, and as per the instructions and guidelines given by RTM Nagpur University, the college constitutes the SRC consisting of the class /activity representatives. These members elect from amongst themselves a College Representative to the University's Students Council. The SRC is responsible for the conduct of all extra-curricular activities like debate/ elocution/essay/cultural and other competitions and the annual festival 'Umang'.
- 5) **Student Welfare / Counselling Cell:** The College offers various welfare schemes in the form of scholarships and aids. Students willing to avail these schemes should contact the Professor-in-charge/Mentors for details. Students are also advised to approach the Cell for solving their problems through professional counselling. The Cell also ensures that provisions contained in UGC (Promotion of Equity in Higher Education Institutes) Regulations, 2012 are observed in spirit and letter by all the stakeholders of the college.
- 6) **Internal Quality Assurance Cell (IQAC):** Our college has always been quality conscious and has, after its first accreditation in 2003, set up an IQAC. The IQAC has for its members the representatives of our management and academicians who plan for an all-round development of the college.
- 7) **College Examinations/Internal Assessment Committee:** The college puts premium on the continuous internal assessment of our students. This committee plans and organizes all internal examinations and viva-voce. Students are advised to watch out for examination schedules/notices as issued by the Committee. The college has also set up a separate Autonomy Examination mechanism.
- 8) **Career Guidance and Placement Cell:** This Cell guides the students for choosing the right career and also gives information about the employment opportunities in business and industry. It organizes seminars and Guest lectures to apprise students of emerging professional trends and events, job profiles, leadership roles, entrepreneurship, market needs and risks, national socio-economic policies etc. It also organizes sessions for soft skills and campus interviews.
- 9) **Student Mentorship Scheme:** This scheme is intended to establish a close rapport between students and teachers who act as mentors for a batch of select students from their entry to exit from the college.
- 10) **Student Feedback/ Parent-Teacher Meet Committee:** The college has got a very active feedback mechanism. The feedback collected from all stakeholders is used for formulating academic and administrative policies. We also conduct Parent-Teacher Meets to get feedback from parents and for sharing with them their wards' progress.
- 11) **College Magazine Committee:** The college publishes every year an in-house magazine "Rashtradhan". It presents their thoughts and views on various economic, social, and political issues in the country.
- 12) **Library Committee:** The Library Committee recommends the purchase of new books, planning of library activities to promote reading habits and recommended upgradations
- 13) **Boys and Girls' Hostel Advisory committee**
The Committee efficiently manages the functioning of hostels, resolves complaints and grievances of inmates and monitors to overall discipline.
